Valet Remote Start Installation Manual:

The Valet Jackie Adams, 2019-06-10 *The Valet* is a riveting portrayal of how a single point in time can forever alter one's trajectory. From the moment Tammy Sue witnesses a horrific crime, every aspect of her life is tested. As the lone witness, she must grapple with the intense scrutiny she suddenly finds herself facing. She is thrust into a new, uncharted reality. She clings to the memories of who she used to be while struggling to embrace the person she is now. Without exception, every relationship she has will be profoundly affected. None will be left untouched. When Tammy begins experiencing strange and mysterious phenomena, she is irrevocably pushed to the brink. Feeling as though she is unwittingly placed her family in grave danger, she is compelled to take matters into her own hands. Unbeknownst to Tammy, she is about to embark on a journey that may mean she will never be able to find her way back to the one thing she cherishes above all else: the life she previously knew.
