Distribution Data Guide, 1958 *The Practical Handbook of Computerization for Distribution Managers* Colin Barrett, 2012-12-06 Back in 1983 I was chatting with Dick Coleman publisher of Traffic World magazine when he unexpectedly proposed that I write a column for the magazine on computer applications in the transportation physical distribution industry But Dick I don't know all that much about computers I protested You use one don't you he asked logically Yes I did I'd been running my consulting business with it for two years But that didn't I explained make me an expert Think about it he said That's typical Coleman he drops these studiedly casual ideas and just lets them lay there until you pick them up and wind up doing just what he wanted you to do all along Sure enough the longer I pondered the notion the more it appealed to me OK I wasn't a computer expert I'm still not But I was a computer user in the transportation distribution field maybe from that perspective I might have some useful things to say to other transportation distribution users and would be users of computers Thus was born the Computer Software for Transportation column The first one appeared in the April 11 1983 issue of Traffic World and it's been a once a month schedule ever since And thus too was ultimately born this book *Distribution Data Guide*, 1959 *Distribution Cost Studies* United States.
