Das, 2014-11-20 Whenever a major event requires police intervention questions are raised about the nature of the police response Could the police have prevented the conflict been better prepared reacted more quickly Could they have acted more forcefully or brought the altercation under control more effectively Based upon real case studies of events from all **Police Management in South Africa** William Fox, Belinda Van Wyk, Marius Fourie, 1998 Written specifically for middle level South African Police SAPS managers this guide explores the creation of a learning environment within the SAPS the development of general and resource management skills and practices and the promotion of community policing and its role in the SAPS *Tracks and Traces of Violence* Viviane Azarian, 2017 *Tracks and Traces of Violence* explores the social conditions political contexts and cultural spaces of violence in Africa It is comprised of accounts that underpin the visible and hidden tracks and traces of violence in the memories of traumatized individuals and groups It also interrogates the gaps silences and vacuities of in these memories as well as the role they play in shaping the facial contours of our modern societies Weaving together views from literature anthropology art cultural studies and museum studies this book provides deeper insight into the meanings of violent socialities spatialities and temporalities as well as into how they materialize in poetry fiction art and popular culture Series Contributions to African Research Beitrage zur Afrikaforschung Vol 80 Subject African Studies Sociology Art Literature Anthropology **Police Integrity in South Africa** Sanja Kutnjak Ivkovich, Adri Sauerman, 2020-04-29 Policing in South Africa has gained notoriety through its extensive history of oppressive law enforcement In 1994 as the country's apartheid system was replaced with a democratic order the new government faced the significant challenge of transforming the South African police force into a democratic police agency the South African Police Service SAPS that would provide unbiased policing to all the country's people More than two decades since the initiation of the reforms it appears that the SAPS has rapidly developed a reputation as a police agency beset by challenges to its integrity This book offers a unique perspective by providing in depth analyses of police integrity in South Africa It is a case

study that systematically and empirically explores the contours of police integrity in a young democracy Using the organizational theory of police integrity the book analyzes the complex set of historical legal political social and economic circumstances shaping police integrity A discussion of the theoretical framework is accompanied by the results of a nationwide survey of nearly 900 SAPS officers probing their familiarity with official rules their expectations of discipline within the SAPS and their willingness to report misconduct The book also examines the influence of the respondents race gender and supervisory status on police integrity Written in a clear and direct style this book will appeal to students and scholars of criminology policing sociology political science as well as to police administrators interested in expanding their knowledge about police integrity and enhancing it in their organizations *The Department of Labor's ... altering substances play in culture Also stepping into the conversation Dan Wylie s reflections are critical even sceptical about the use of psychedelics and opiates for recreational religious and creative purposes Wylie s references to Southern African literature complements Whitley s discussion of North American texts and Northover s focus on Anglophone literature Overall the book creates by way of multiple perspectives a multivoiced dialogue on the currently highly debated topic of the use of mind enhancing substances and techniques in art culture therapy and religion In addition to the more academic material blogs written by two of the authors are included to contextualise and broaden the discussion This aligns with the book s multivocal and multimodal spirit Print editions not for sale in Sub Saharan Africa

Policing and Boundaries in a Violent Society Guy Lamb,2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization
