

Chapter 1

Introduction to Supply Chain Management

Giant Eagle is really committed to increasing the diversity amongst our supply chain. There's several reasons for that. The first one, if COVID taught us nothing, it taught us that we collectively need to build a more resilient supply chain. We need to have access to more and different kinds of suppliers who are more agile, more nimble.

—Laura Shapira Karet, CEO, Giant Eagle¹

Our proprietary logistics network, strong supplier partnerships, and nimble and dedicated team of more than 16,000 employees enabled Wayfair to consistently serve our customers at a time they needed us most, both in North America and Europe. The plans that we put in place in late 2019, combined with those factors, translated to a powerful profitability inflection, and we generated over \$1 billion in free cash flow in the quarter.

—Niraj Shah, CEO, Wayfair²
