Southern Horrors: Lynch Law in All Its Phases Ida B. Wells-Barnett, 2018-02-03 In 1892 Wells published a pamphlet titled Southern Horrors Lynch Law in All Its Phases Having examined many accounts of lynching due to the alleged rape of white women she concluded that Southerners cried rape as an excuse to hide their real reasons for lynchings black economic progress which

threatened white Southerners with competition and white ideas of enforcing black second class status in the society Black economic progress was a contemporary issue in the South and in many states whites worked to suppress black progress In this period at the turn of the century Southern states starting with Mississippi in 1890 passed laws and or new constitutions to disenfranchise most black people and many poor white people through use of poll taxes literacy tests and other devices Source Wikipedia **Southern Horrors** ,1892 Southern Horrors Ida B Wells-Barnett,2020-08-13 The greater part of what is contained in these pages was published in the New York Age June 25 1892 in explanation of the editorial which the Memphis whites considered sufficiently infamous to justify the destruction of my paper the Free Speech Since the appearance of that statement requests have come from all parts of the country that Exiled the name under which it then appeared be issued in pamphlet form Some donations were made but not enough for that purpose The noble effort of the ladies of New York and Brooklyn Oct 5 have enabled me to comply with this request and give the world a true unvarnished account of the causes of lynch law in the South This statement is not a shield for the despoiler of virtue nor altogether a defense for the poor blind Afro American Sampsons who suffer themselves to be betrayed by white Delilahs It is a contribution to truth an array of facts the perusal of which it is hoped will stimulate this great American Republic to demand that justice be done though the heavens fall It is with no pleasure I have dipped my hands in the corruption here exposed
