Travel Plans and Navigation

Directions is a word that means to go from one place to another.

1. Directions are used to tell you how to get from one place to another.
2. The directions of the compass are North, South, East, and West.
3. Throughout the night, all the stars appear to move from left to right.
4. When looking at the stars, you can see that the stars appear to move.
5. Just like in our language, the words of the stars and constellations are in different languages.
6. Sometimes, the North Star is different from the other stars.
