Spanish Eyes English Edition:

The Dutch Revolt Through Spanish Eyes Yolanda Rodríguez Pérez, 2008 Historical and literary works from the Spanish Golden Age offer a wealth of information about the Spanish view of the conflict in the Netherlands during the Dutch Revolt and the ensuing Eighty Years War 1568 1648 The war in the cold north was to become a fixed component in the lives of the Spaniards of the Golden Age for many years This book reconstructs the images that the Spanish had of the Netherlands and its inhabitants These images are inextricably intertwined with the picture that the Spanish constructed of themselves as participants in the conflict This book follows the developments of these images from the construction of an image of the enemy that reached a climax between 1621 and 1648 and then gradually faded away Which images and representations circulated the most and where did they come from Which rhetoric was used to present them to the public and in which genres and contexts were they disseminated and preserved On the basis of a varied collection of sources war chronicles and plays as well as pamphlets poems historical works and prose writings the author illustrates the appearance of the Netherlands through Spanish eyes during the course of the Eighty Years War

The History of British Film (Volume 7) Rachael Low, 2020-03-26 This set is one of the cornerstones of film scholarship and one of the most important works on twentieth century British culture Published between 1948 and 1985 the volumes document all aspects of film making in Britain from its origins in 1896 to 1939 Rachael Low pioneered the interpretation of films in their context arguing that to understand films it was necessary to establish their context Her seven volumes are an object lesson in meticulous research lucid analysis and accessible style and have become the benchmark in film history

Colonizer and Colonized , 2021-11-08 Over the last two decades the experiences of colonization and decolonization once safely relegated to the margins of what occupied students of history and literature have shifted into the latter s center of attention in the West as elsewhere This attention does not restrict itself to the historical dimension of colonization and decolonization

but also focuses upon their impact upon the present for both colonizers and colonized The nearly fifty essays here gathered examine how literature now and in the past keeps and has kept alive the experiences both individual and collective of colonization and decolonization The contributors to this volume hail from the four corners of the earth East and West North and South The authors discussed range from international luminaries past and present such as Aphra Behn Racine Blaise Cendrars Salman Rushdie Graham Greene Derek Walcott Guimar es Rosa J M Coetzee Andr Brink and Assia Djebar to less known but certainly not lesser authors like Gioconda Belli Ren Depestre Amadou Kon Elisa Chimenti Sapho Arthur Nortje Es kia Mphahlele Mark Behr Viktor Paskov Evelyn Wilwert and Le la Houari Issues addressed include the role of travel writing in forging images of foreign lands for domestic consumption the reception and translation of Western classics in the East the impact of contemporary Chinese cinema upon both native and Western audiences and the use of Western generic novel conventions in modern Egyptian literature

From the Edge Allison E. Fagan, 2016-07-14 Chicana o literature frequently depicts characters who exist in a vulnerable liminal space living on the border between Mexican and American identities and sometimes pushed to the edge by authorities who seek to restrict their freedom As this groundbreaking new study reveals the books themselves have occupied similarly precarious positions as Chicana o literature has struggled for economic viability and visibility on the margins of the American publishing industry while Chicana o writers have grappled with editorial practices that compromise their creative autonomy From the Edge reveals the tangled textual histories behind some of the most cherished works in the Chicana o literary canon tracing the negotiations between authors editors and publishers that determined how these books appeared in print Allison Fagan demonstrates how the texts surrounding the authors words from editorial prefaces to Spanish language glossaries from cover illustrations to reviewers blurbs have crucially shaped the reception of Chicana o literature To gain an even richer perspective on the politics of print she ultimately explores one more border space studying the marks and remarks that readers have left in the margins of these books From the Edge vividly demonstrates that to comprehend fully the roles that ethnicity language class and gender play within Chicana o literature we must understand the material conditions that governed the production publication and reception of these works By teaching us how to read the borders of the text it demonstrates how we might perceive and preserve the faint traces of those on the margins Reinterpreting the Spanish American Essay Doris Meyer, 2010-06-25 Latin American women have long written essays on topics ranging from gender identity and the female experience to social injustice political oppression lack of educational opportunities and the need for female solidarity in a patriarchal environment But this rich vein of writing has often been ignored and is rarely studied This volume of twenty one original studies by noted experts in Latin American literature seeks to recover and celebrate the accomplishments of Latin American women essayists Taking a variety of critical approaches the authors look at the way women writers have interpreted the essay genre molded it to their expression and created an intellectual tradition of their own Some of the writers they treat are Flora Tristan Gertrudis G meez de Avellaneda Clorinda Matto de Turner Victoria Ocampo Alfonsina Storni Rosario Ferr Christina Peri Rossi and Elena Poniatowska This book is the first of a two volume project that reexamines the Latin American essay from a feminist perspective The second volume also edited by Doris Meyer contains thirty six essays in translation by twenty two women authors **The Dinner at Gonfarone's** Peter Hulme, 2019
