Essentiality of Work Markus Helfen,Rick Delbridge,Andreas (Andi) Pekarek,Gretchen Purser,2024-10-03 Raising pressing questions about the essence of work and its place in contemporary society this volume inspires new debates about the centrality of the work experience in modern life for those working as well as those who benefit from that work

I am Sophie Tucker Susan Ecker,Lloyd Ecker,2014-12-02 Features more than 90 beautiful color and 120 black and white period illustrations Part fairy tale part crime novel part rags to riches Hollywood myth *I Am Sophie Tucker* tells the outrageous story of one of showbiz s biggest personalities From 1906 through the beginning of television Sophie Tucker and her bawdy brash and risqu songs paved the way for performers such as West Monroe Midler Cher Madonna and Gaga Sophie was like the Forrest Gump of the first half of the 1900s says co author Susan Ecker She was close friends with seven presidents King George VI young Queen Elizabeth Chaplin J Edgar Capone Garland Jerry Lewis Sinatra and every other notable of her era Tucker tried to get her story published for nine years without success Undaunted Sophie hired half a dozen ghostwriters but she still had no takers for her no holds barred autobiography Eventually Doubleday published a sanitized version in 1945

After immersing ourselves in Sophie's papers and surviving friends says co author Lloyd Ecker this initial volume is what should have been the actual autobiography of Tucker. Though she obsessively documented her life Sophie loved to exaggerate for dramatic effect. Over the years she told multiple versions of each important event. At the end not even Sophie knew the difference between truth and tall tale. This volume is 85% fact. Lloyd explains. The other 15% who knows I Am Sophie Tucker puts back all of the delicious bits nixed by Doubleday's lawyers and throws in other Tucker show business dirt: intrigue, arrests, romance, murder, gangsters and scandals. Now you can read it for yourself. *Persephone's Choice: A whimsical romance story* Yihan Sim, 2021-06-15. What if the gods were condemned to immortality due to the continued storytelling by mortals? What if Hades met Persephone in contemporary Singapore? Would their story still arrive at its age-old conclusion? As far as she knows Sophie is an ordinary florist living an ordinary mortal life in Singapore whilst caring for an aged mother suffering from dementia. One day a peculiar man with the same name as the ancient Greek god of the Underworld crashes into her life and falls heavier and heavier in her debt. Sophie tries to help him recover from amnesia and get back on his feet while in the meantime arranging for him to work for room and board at her flower shop. As time goes by she grows accustomed to his company. She becomes unsure if she actually wants him to quickly pay off his debt and step out of her life just as abruptly as he had arrived. Absurd, comedic and tender at the same time, this whimsical variation of the classic Greek myth will not fail to amuse and delight. *The Feather Chase* Shannon L. Brown, 2014-02-06. An anthology of essays that deal with Witchcraft and the figure of the Witch as they have been presented in motion pictures, television and popular culture in order to understand how, why and when the common anti-Witchcraft, anti-Witch attitude evolved. Mainstream tales of Witchcraft including modern movies, novels, TV series and other examples of our popular culture more often than not express the traditional notion of a Witch as a wild, dangerous, untamable, nasty woman obsessed with a desire for power to control all around her, in most narratives such a hunger presented as a negative. In truth, The Witch is a symbol of threatening evil only to those men and women who accept a conservative sensibility. For members of either gender who do not, The Witch is perceived as hero and role model. This collection begins with the Biblical figure of Lilith followed by Morgan le Fey from Arthurian legend, myth in literature as well as in popular culture followed by the more contemporary

depictions of the Witch that start to appear in the 1960s for example in the Bewitched sitcom the Star Wars franchise Harry Potter and even the television show Scooby Doo International depictions of the Witch are discussed including Italy's Dario Argento's films *Suspiria* and *Inferno* The final section of this collection focuses on the most iconic depictions of the Witch produced during the 21st century including *A Discovery of Witches* *Penny Dreadful* *Game of Thrones* and the history of the Witch in films by the Walt Disney studio from its origins more than a century ago to the latest releases arguing that here if perhaps surprisingly we discover the most fair and balanced portraits of Witches in the history of film and TV **A Bouquet of Dreams (Book #2)** Suzanne Woods Fisher,2024-06-18 With the future she planned in jeopardy the past may be the only place to turn Claire Murphy has always had a dream to run her own flower shop So when her bosses hint at retirement Claire sees her chance to take over Same Day Delivery But life takes a twist when they send her off to a customer service seminar to refine her supposedly lacking people skills Navigating customer service rehab isn't easy And just when Claire thinks things couldn't get more complicated her high school crush pops back into her life hand delivering a letter from Rose the wise flower shop owner from Sunrise North Carolina who once believed in her potential Then comes the gut punch Same Day Delivery gets sold to a rival company Claire feels like her world is spinning out of control In the midst of all this chaos the pull to return to Sunrise where it all began grows stronger But facing Rose and her friends whom she let down years ago That's a whole other challenge Claire isn't sure she's ready to tackle Anne of Avenue A Audrey Bellezza,Emily Harding,2025-10-28 Jane Austen's *Persuasion* meets the Big Apple in this swoon worthy holiday romance from the authors of *Elizabeth of East Hampton* and *Emma of 83rd Street* Eight years ago Anne Elliot broke Freddie Wentworth's heart when she refused to give up her five year plan for the sake of adventure But despite big dreams Anne now thirty is still living at home with hardly a plan in sight Anne tries to be optimistic she knows better than anyone that regret will get you nowhere but that goes out the window when thanks to her father's bad spending habits her childhood apartment is rented out to the very man still living in her head rent free Freddie Wentworth never thought he would see Anne Elliot again after she dumped him for accepting a job overseas He spent years trying to forget her and he's been mostly successful So when a job opportunity takes him back to New York he's shocked to find out that Anne is not only his new neighbor but also the former resident of his new Greenwich Village penthouse Nearly a decade after Anne and Freddie's fateful romance the only thing they still have in common is a desire to leave their relationship firmly in the past But between a disastrous off Broadway show and a drunken Thanksgiving dinner nosey neighbors and flirtatious friends Anne and Freddie suddenly find their lives more intertwined than ever before When old feelings start rising to the surface they must decide whether to put their hearts on the line or walk away all over again Masquerade Sarita Leone,2013-07-10 A New Year's resolution given in a moment of frivolity must be upheld when masks come off leaving identities and hearts revealed A blizzard and a masquerade ball provide Colin Randolph with the chance to convince Sophie Teasdale the man of her dreams has been by her side all along **FTD News Florists'**
