Avant, 2005-07-25 The legitimate use of force is generally presumed to be the realm of the state However the flourishing role of the private sector in security over the last twenty years has brought this into question In this book Deborah Avant examines the privatization of security and its impact on the control of force She describes the growth of private security companies explains how the industry works and describes its range of

customers including states non government organisations and commercial transnational corporations She charts the inevitable trade offs that the market for force imposes on the states firms and people wishing to control it suggests a new way to think about the control of force and offers a model of institutional analysis that draws on both economic and sociological reasoning The book contains case studies drawn from the US and Europe as well as Africa and the Middle East

Maneuvers Cynthia Enloe,2000-02-01 Maneuvers takes readers on a global tour of the sprawling process called militarization With her incisive verve and moxie eminent feminist Cynthia Enloe shows that the people who become militarized are not just the obvious ones executives and factory floor workers who make fighter planes land mines and intercontinental missiles They are also the employees of food companies toy companies clothing companies film studios stock brokerages and advertising agencies Militarization is never gender neutral Enloe claims It is a personal and political transformation that relies on ideas about femininity and masculinity Films that equate action with war condoms that are designed with a camouflage pattern fashions that celebrate brass buttons and epaulettes tomato soup that contains pasta shaped like Star Wars weapons all of these contribute to militaristic values that mold our culture in both war and peace Presenting new and groundbreaking material that builds on Enloe s acclaimed work in *Does Khaki Become You* and *Bananas Beaches and Bases* Maneuvers takes an international look at the politics of masculinity nationalism and globalization Enloe ranges widely from Japan to Korea Serbia Kosovo Rwanda Britain Israel the United States and many points in between She covers a broad variety of subjects gays in the military the history of camp followers the politics of women who have sexually serviced male soldiers married life in the military military nurses and the recruitment of women into the military One chapter titled *When Soldiers Rape* explores the many facets of the issue in countries such as Chile the Philippines Okinawa Rwanda and the United States Enloe outlines the dilemmas feminists around the globe face in trying to craft theories and strategies that support militarized women locally and internationally without unwittingly being militarized themselves She explores the complicated militarized experiences of women as prostitutes as rape victims as mothers as wives as nurses and as feminist activists and she uncovers the maneuvers that military officials and their civilian supporters have made in order to ensure that each of these groups of women feel special and separate

The Botswana Defense Force in the Struggle for an African Environment D. Henk,2007-12-25 The book describes how Botswana s leaders effectively employed the instruments of power at their disposal portraying a state that works It argues that Africans are contributing meaningfully to emerging global thinking on security and urges Africa s friends to take advantage of opportunities for productive partnerships over environmental issues **Military Review** ,1988 **AF Press Clips** ,1984-07 *Translations on Sub-Saharan Africa* United States. Joint Publications Research Service,1977 *Women and the Military* Ruth Margolies Beitler,Sarah M. Gerstein,2021-04-07 This addition to the *Women and Society around the World* series explores the roles challenges and accomplishments of women in the military in countries across the globe Around the world millions of men serve in their

countries militaries be it on land on the seas or in the air But while many militaries have opened all positions to women even those on the front lines others remain closed Countries have cited a number of reasons for their policies including changing views of women and the military conscription and economic and demographic trends Written by a professor of comparative politics at the United States Military Academy at West Point and an active duty army major this book seeks to provide an understanding of women s roles in militaries around the world The book is organized by region exploring societal and cultural views of masculinity and war as well as factors influencing changing views of women and the military including conscription and economic and demographic trends Topics also include sexual harassment recruitment and views on women s physicality and strength High school students undergraduates and general readers will find this cross cultural study a fascinating and important resource

World Perspectives in the Sociology of the Military Georgios Andreu Kurbetares, Betty A. Dobratz, 1977-01-01 A truly unique compilation World Perspectives in the Sociology of the Military explores both age old and contemporary issues pertaining to the sociology of military institutions and civil military relations At the same time it deals with major conceptual research empirical and methodological issues in the field of sociology devoted to military aspects A concise overview with a socio logical political science framework and a perspective utilizing international factors is provided along with analyses of the major issues of the internal dynamics of military organizations as these issues are reflected in evolving military organizations around the world The interrelationship between social and political change and the military and the way the armed forces responds to and internalizes these changes are also fully treated The principal focus is on the concepts of professional and organizational perspectives and of civil military relations Comparative international factors are provided by chapters on African European Middle Eastern Latin American and United States militaries and also included is a section devoted to the methodological aspects of the measurement of military intervention in developing nations In Part I the editors have written an integrated overview and sociological framework for analyzing and critically assessing military sociology Part II explores the internal dynamics of military organizations with an emphasis upon professionalism politics recruitment and socialization Larson first provides an excellent discussion of two major interpretations of military professionalism and civic control In the following contribution career patterns and occupational structure is the topic and Lang notes that technological and organizational developments in the U S military have led to a shift away from combat orientations to resource management While technological change has had important effects on the American military Gamier warns against generalizing about the effects of technology on other militaries he argues that changes in the technology can be mediated by cultural and organizational factors Kourvetaris and Dobratz address themselves to the issues of social recruitment and political orientation of officer corps in fourteen countries they find that the broadening of the social base of recruitment has not been followed by a concomitant process of political democratization of the officers political attitudes and or behavior Lucas delineates the nature and content of the military

images important in the professional socialization of Army ROTC cadets Cockerham's research on airborne paratroopers argues against the importance of the socialization process using interview data he analyzes the context of airborne socialization in the United States as a status passage Ben Dor outlines a behaviorally oriented theoretical approach to the study of military intervention in the Middle East to begin Part III Likewise Thompson advances a synthetic approach for explaining Arab military coups along systemic and subsystemic dimensions of military and civilian structures and regimes Event data from a number of sub-Saharan African nations were researched by McKown who suggests analyzing elite political behavior in order to explain the cause of coups d'etat In particular she recommends further examination of the variables of elite cohesion and coercive ability and potential Segal et al explore the thesis of convergence and suggest that the emerging pattern for industrial nations of the West may be one of divergence Convergence can be seen as making the military functionally more independent of its host society and therefore insulated from it Using Moskos's developmental construct of convergent divergent and segmented patterns of civil-military relations Kourvetaris traces the linkages between armed forces and society in the context of the military role in Greek politics both in diachronic and synchronic terms Drury assesses the effectiveness of military rule in Brazil during 1964-70 and Herspring provides background information on socialist countries while considering the effect that an increasing reliance on modern technology has had on civil-military relations in East Germany Sigelman examines five indicators of the extent of military intervention and derives his own Military Intervention Index The final contribution by Tannahill discusses new operationalism of military intervention and provides an application of this new variable in the context of military intervention in Latin America

Propaganda and Public Relations in Military Recruitment Brendan Maartens, Thomas Bivins, 2020-11-19 This book represents the first international investigation of military recruitment advertising public relations and propaganda Comprised of eleven case studies that explore mobilisation work in Africa the Americas Asia and Europe it covers more than a hundred years of recent history with chapters on the First and Second World Wars the Cold War and the present day The book explores such promotion in countries both large and small and in times of both war and peace with readers gaining an insight into the different strategies and tactics used to motivate men women and occasionally even children to serve and fight in many parts of the world Readers will also learn about the crucial but little known role of commercial advertising public relations and media professionals in the production and distribution of recruitment promotion This book the first of its kind to be published will explore that role and in the process address two questions that are central to studies of media and conflict how do militaries encourage civilians to join up and are they successful in doing so It is a multi-disciplinary project intended for a diverse academic audience including postgraduate students exploring aspects of war propaganda and public opinion and researchers working across the domains of history communications studies conflict studies psychology and philosophy

Conspicuous Destruction Human Rights Watch (Organization), 1992 Addressing two sets of concerns this report covers

both the abuses relating to the seventeen years of war between the Mozambique Armed Forces and the rebel Mozambique National Resistance as well as the reforms instigated by the ruling Mozambique Liberation Front under President Joachim Chissano Africa Watch evaluates the progress made by the Liberation Front government toward a democratic system of government that respects civil and political rights The 1990 Constitution and related legislation are the centerpiece of this transition and represent the most wholehearted attempt to build an institutional and legal framework to guarantee respect for human rights so far attempted in the history of Mozambique Major concerns remain however relating to the ability of the government to implement the promised changes

Women and War in the 21st Century Margaret D. Sankey, 2018-08-17

Twenty three countries currently allow women to serve in front line combat positions and others with a high likelihood of direct enemy contact This book examines how these decisions did or did not evolve in 47 countries This timely and fascinating book explores how different countries have determined to allow women in the military to take on combat roles whether out of a need for personnel a desire for the military to reflect the values of the society or the opinion that women improve military effectiveness or in contrast have disallowed such a move on behalf of the state In addition many countries have insurgent or dissident factions in that have led armed resistance to state authority in which women have been present requiring national militaries and peacekeepers to engage them incorporate them or disarm and deradicalize them This country by country analysis of the role of women in conflicts includes insightful essays on such countries as Afghanistan China Germany Iraq Israel Russia and the United States Each essay provides important background information to help readers to understand the cultural and political contexts in which women have been integrated into their countries militaries have engaged in combat during the course of conflict and have come to positions of political power that affect military decisions

Civil Military Interaction in Asia and Africa Kennedy, Louscher, 2021-11-08 The focus of this book is on the interaction between the civilian government and the military in Asian and African countries The authors have gone to great lengths to provide an accurate analysis of both the advantages and the shortcomings of the respective countries attempts to reach civil military cooperation Each article provides the reader with the information necessary to make a preliminary judgement on the efficiency of the given country's ability to achieve harmony between their government and their military

South Africa Defense Force Recruitment Introduction

In today's digital age, the availability of South Africa Defense Force Recruitment books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of South Africa Defense Force Recruitment books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of South Africa Defense Force Recruitment books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing South Africa Defense Force Recruitment versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, South Africa Defense Force Recruitment books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing South Africa Defense Force Recruitment books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for South Africa Defense Force Recruitment books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, South Africa Defense

Force Recruitment books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of South Africa Defense Force Recruitment books and manuals for download and embark on your journey of knowledge?
