contemporary romance novel Will Ashton Music is my motivation I've always believed that because of it I would be somebody Somebody to someone and something to myself At age four I picked up my grandfather's acoustic guitar and up until three weeks ago I've never put it down From a single chord to a full arrangement music fed my soul I craved it with every fiber of my being but now I just don't know That driving force that's always pushed me has somehow stalled along with the thrill the passion and the familiarity it's all gone I'm beginning to worry that my love for music just isn't enough As the summer tour finally comes to an end I head to the Blue Ridge Mountains instead of returning to Nashville It's here that I've always been able to lose myself amongst the solitude and the lake but what I didn't expect to find was her Wild blonde hair light blue eyes and a laugh I find myself trying to coax from her has me completely enamored She's quiet incredibly poised and driven by secrets as big as the mountains around us They're what's made her untouchable and left me wanting to know more Maybe that's what I need Maybe I need more Maybe I need her Ava Layne They say that life isn't about how many breaths we take but how many moments take our breath away But what if those moments aren't filled with happiness and love but something dark and haunting For me it's those moments that've shaped and taken over my life I can't change who I am God knows I've tried and because of this I've accepted the silver lining I'm alive Fifty two white keys thirty six black keys ten fingers seven notes two friends and one stage At the piano on the stage with my two best friends I finally found myself and I live for those moments One by one I collect them cherish them patiently waiting for the next until it arrives and changes everything That's
