Newitt and licensed by Ford is a hardbound full color 224-page detailed story of the limited edition 1968 Ford Mustang which was created just for California. The story of how the California Crazy car culture in the 1960s prompted the marketing of Mustang's first factory-produced special edition is described in incredible detail from the inspiration of Shelby's Little Red coupe to the development by Ford Design to become 4,118 GT California Specials. The story continues with the marketing plan by J. Walter Thompson and California's Ford Dealers Association to bring this Mustang to market in the spring of 1968. A detailed account of the GT/CS variant, the High Country Special sold in the Denver sales district, is also included. Detailed production statistics, rare factory photos, authentication options, accessories, specific part descriptions, and comprehensive Concours restoration information are covered along with the complete stories of the Shelby prototype coupes, Little Red and the EXP 500 Green Hornet. A separate chapter is devoted to the development, prototypes, and production of the 2007-09 and 2011 GT/CS and a complete GT/CS Owner Registry of 1,300 cars with photos rounds out the volume. Each book is beautifully bound, signed, and numbered. A very special limited edition for Mustang collectors. *Ford Cobra Guide* William Carroll, 1964 **Ford Cobra Guide** Bill Carroll, 1964-01-01
