Academic Writing and Plagiarism Diane Pecorari, 2015-06-21 Plagiarism has long been regarded with concern by the university community as a serious act of wrongdoing threatening core academic values There has been a perceived increase in plagiarism over recent years due in part to issues raised by the new media a diverse student population and the rise in English as a lingua franca This book examines plagiarism the inappropriate relationship between a text and its sources from a linguistic perspective Diane Pecorari brings recent linguistic research to bear on plagiarism including processes of first and second language writers interplay between reading and writing writer s identity and voice and the expectations of the academic discourse community Using empirical data drawn from a large sample of student writing compared against written sources Academic Writing and Plagiarism argues that some plagiarism in this linguistic context can be regarded as a failure of pedagogy rather than a deliberate attempt to transgress The book examines the implications of this gap between the institutions expectations of the

students student performance and institutional awareness and suggests pedagogic solutions to be implemented at student tutor and institutional levels Academic Writing and Plagiarism is a cutting edge research monograph which will be essential reading for researchers in applied linguistics *Writing strategies and activities to develop academic writing in English at University* Graciela Arizmendi González, María del Carmen González Videgaray, 2025-03-10 Strategy and activity book about writing reading and research for graduate students teachers or researchers who need to write practice and or develop academic writing in English In this book the writing process should be understood as dynamic and flexible Users will be able to practice the strategies according to their requirements **English Academic Writing** Gerlinde Mautner, Christopher J. early 1840s **Murray, How to Write a Thesis 5e** Rowena Murray, 2025-01-27 I have been drawing upon Rowena's work and this book specifically for many years now both in my own thesis writing as well as with the students I now support. This is a fantastic and most welcome resource as the new chapters on AI and neurodiversity as well as further developments and resources on other sections bring it right up to date. Not only is it a very informative and useful resource, it also provides lots of excellent tasks and tools to employ that are a significant benefit to the writing processes at this level.

Joseph Allison
Lecturer in Clinical Education and Visiting Specialist Plymouth Peninsula Medical School UK. A must read for students and supervisors alike. This book has become a brilliant companion to navigating the complexities of academic writing. Writing my own thesis often felt like climbing a mountain, but Rowena's book became my map. Packed with practical advice, support and confidence building strategies, it helped me reach the summit.

Michelle Smith
Lecturer in Sport and Exercise Psychology
University of Stirling UK. The first edition of *How to Write a Thesis* was essential in my own PhD journey, providing a comprehensive oversight of thesis requirements that demystified the complex process of academic writing. Twenty years later, the latest iteration of the book remains vital reading. A must-buy book for PhD students.

Martin A Sharp
Director of Postgraduate Research, Edinburgh Napier University UK. This fully updated edition of the classic guide to thesis writing will help you to write your thesis and make the most of the experience. It will also be useful for supervisors who want to help students develop their writing skills and strategies. This book breaks the writing of a thesis down into manageable tasks, offering routines for productive writing and drawing on research in different fields to help you discover the strategies that work best for you.

Arguing that social writing activities such as writing retreats are key to getting started and staying motivated, this book will equip you to write regularly, maintain your confidence as you write and revise, respond to feedback and create a community of writers as you go.

New to this edition:

- 1 Brand new content on neurodiversity and wellbeing
- 2 How to write for different audiences and purposes
- 3 How to write about research impact
- 4 How to tackle the last phase of your thesis
