In the office of a clinical psychologist in Olympia, Washington, a beautiful young woman is in terrible emotional pain. She puts up walls, tells lies, and seems to speak in riddles, but the doctor is determined to help her heal despite the fact that she claims to have hurt many people. As their sessions escalate, the psychologist feels compelled to reach out to the police, but it might be too late.

In Seattle, a detective gets a call from his son. A dedicated journalist, he wants his father's expertise as he looks into a suspicious death. Together, they follow the trail of leads toward a stone-cold hired killer, only to find that death has been closer than either could have imagined.
