Strategy, Policy, & Review Department, International Monetary Fund. Legal Dept., International Monetary Fund. Monetary and Capital Markets Department, 2017-04-21 Correspondent banking relationships CBRs which facilitate global trade and economic activity have been under pressure in several countries So far cross border payments have remained stable and economic activity has been largely unaffected despite a recent slight decrease in the number of CBRs However in a limited number of countries financial fragilities have been accentuated as their cross border flows are concentrated through fewer CBRs or maintained through alternative arrangements These fragilities could undermine affected countries long run growth and financial inclusion prospects by increasing costs of financial services and negatively affecting bank ratings     *Review of the Method of Valuation of the SDR - Initial Considerations* International Monetary Fund. Asia and Pacific Dept, International Monetary Fund. Strategy, Policy, & Review Department, International Monetary Fund. Legal Dept., International Monetary Fund. Secretary's Department, International Monetary Fund. Monetary and Capital Markets Department, 2015-07-16 This paper lays out initial considerations for the quinquennial review of the method of valuation of the Special Drawing Right SDR currency basket As in previous reviews a key objective is to enhance the attractiveness of the SDR as an international reserve asset In that context the review will assess the currencies for SDR basket inclusion currency weights and the SDR interest rate basket The paper takes as a starting point the conclusions of the last review in 2010 and the subsequent Board discussion of currency selection criteria in 2011 At the time of the last review China met the gateway export criterion but the renminbi RMB was not included in the SDR basket as it was not judged to be freely usable the second currency selection criterion In light of the Board's broad support in 2011 for the existing legal framework and since China continues to meet the export criterion this paper discusses building blocks relevant for a future determination on whether to include the RMB in the basket under the existing criteria     Accounting Best Practices Steven M.
