Selves, Symbols, and Sexualities Thomas S. Weinberg,Staci Newmahr,2014-03-06 Offering an anthology of original articles on sexuality from a sociological perspective Selves Symbols and Sexualities An Interactionist Anthology focuses on the diverse and multi layered meanings of sexuality sexual behaviors and sexual identities Thomas S Weinberg and Staci Newmahr bring you essays that explore sexuality as a social process As a whole the book takes the perspective that what each of us understands to be sexual is constructed through everyday social processes and interaction situated in particular spaces and moments identified through our social sexual presentations and symbolized through language objects and practices The book is organized around these four distinct but interrelated processes and augmented by personal narratives around relevant issues The authors goals for the book are to engage students in the sociological enterprise by providing interesting and insightful entries that emphasize the importance of meaning making in human sexuality and to provide them

with conceptual tools to understand human sexuality in a complex and quickly changing sexual landscape **Gender in Real Time** Kath Weston, 2018-10-24 After decades of innovative scholarship that galvanized a field and shattered a world of preconceptions the study of gender now appears to languish It has been a long while since the publication of a provocative and influential text like Judith Butler's Gender Trouble Kath Weston argues that the problem is one of time For too long gender studies has been preoccupied with the visual with ample attention given to issues of performativity and embodiment all at the expense of time Gender in Real Time makes a provocative and important new argument that will revolutionize the field of gender studies Introducing temporality into the equation and examining the ways gender exists Weston uses the tools of political economy the history of mathematics Darwinian evolution and a bit of physics to propel gender studies toward the future Startling new concepts like zero gender and the meaning of time claims are introduced Moreover the impact of our time sensitive society with its ever increasing need for speed and accelerated development is explored for its effect on the production of gender With chapter titles including Unsexed The Ghosts of Gender Past and The Global Economy Next Time this book offers a pioneering addition to the field that will forever change our notion of gender **Queering Anarchism**

Deric Shannon, J. Rogue, C.B. Daring, Abbey Volcano, 2013-01-11 A much needed collection that thinks through power desire and human liberation These pieces are sure to raise the level of debate about sexuality gender and the ways that they tie in with struggles against our ruling institutions Roxanne Dunbar Ortiz Outlaw Woman Against the austerity of straight politics Queering Anarchism sketches the connections between gender mutiny queer sexualities and anti authoritarian desires Through embodied histories and incendiary critique the contributors gathered here show how we must not stop at smashing the state rather normativity itself is the enemy of all radical possibility Eric A Stanley co editor of Captive Genders What does it mean to queer the world around us How does the radical refusal of the mainstream codification of GLBT identity as a new gender norm come into focus in the context of anarchist theory and practice How do our notions of orientation inform our politics and vice versa Queering Anarchism brings together a diverse set of writings ranging from the deeply theoretical to the playfully personal that explore the possibilities of the concept of queering turning the dominant and largely heteronormative structures of belief and identity entirely inside out Ranging in topic from the economy to disability politics social structures sexual practice interpersonal relationships and beyond the authors here suggest that queering might be more than a set of personal preferences pointing toward the possibility of an entirely new way of viewing the world Contributors include Jamie Heckert Sandra Jeppesen Ben Shepard Ryan Conrad Jerimarie Liesegang Jason Lydon Susan Song Stephanie Grohmann Liat Ben Moshe Anthony J Nocella A J Withers and more Deric Shannon C B Daring J Rogue and Abbey Volcano are anarchists and activists who work in a wide variety of radical feminist and queer communities across the United States **Using Human Rights to Change Tradition** Corinne A. Gender Hurts Sheila Jeffreys, 2014-04-24 It is only recently that transgenderism has been accepted as a disorder for which treatment is available In the 1990s a political movement of transgender activism coalesced to campaign for transgender rights Considerable social political and legal changes are occurring in response and there is increasing acceptance by governments and many other organisations and actors of the legitimacy of these rights This provocative and controversial book explores the consequences of these changes and offers a feminist perspective on the ideology and practice of transgenderism which the author sees as harmful It explores the effects of transgenderism on the lesbian and gay community the partners of people who transgender children who are identified as transgender and the people who transgender themselves and argues that these are negative In doing so the book contends that the phenomenon is based upon sex stereotyping referred to as gender a conservative ideology that forms the foundation for women's subordination *Gender Hurts* argues for the abolition of gender which would remove the rationale for transgenderism This book will be of interest to scholars and students of political science feminism and feminist theory and

gender studies **Conflicted** Jurgen von Stuka,2021-01-01 Thousands of men disappear every day They walk out of their office or their home and vaporize into thin air Some end up in the morgue or worse they end up in the hands of female slavers who will turn them into personal sex bondage or sissy slaves The men in this tale are taken by slavers using the most worn and tried gimmick on the planet they got involved with a gorgeous woman and easily fell into her trap Warning If the idea of living a totally changed life of a heterosexual male converted to a fully equipped female slave bothers you don t even think about reading this story It will not make you feel good But as the story goes there are things that we know exist in this world that no one wants to talk about This is one of them Changing the Subject Mary McClintock Fulkerson,2001-01-25 The author shows the many ways in which women s scriptural performances are liberating Shifting decisively from women s experience to discursive practices she offers three sample readings of emancipatory discourses from diverse social locations that better display the variety of ways in which women are oppressed and resistant *Maxx Pleasure* Maxx Harper,2025-02-28 The Maxx Harper Erotica Collection Dedicated to Your Pleasure A little bit of everything here for the kink lover including LGBTQ orgies BDSM gender swap sissies and more Bound by BDSM Alicia M. Walker,Arielle Kuperberg,2025-08-07 Why are BDSM practitioners so happy It turns out BDSM isn t just about whips and chains With engaging stories and a warm conversational tone Bound by BDSM Unexpected Lessons for Building a Happier Life reveals how BDSM practitioners use clear boundaries enthusiastic consent open dialogue and a strong community to create fulfilling relationships and build richer more intentional lives Drawing on research from the largest scientific study of BDSM ever conducted Alicia Walker and Arielle Kuperberg demonstrate that the BDSM community s approach to trust and vulnerability offers a valuable model for building intimacy and fostering authentic connections BDSM also allows practitioners to exercise their creativity and break the mold whether it comes to trying out new practices in the bedroom or bending ideas about gender Whether you re vanilla kinky or just here for the life advice this book packed with humor and insight is a refreshingly open minded guide to building stronger relationships deeper intimacy and a more intentional approach to connection

Metamorphoses Turid Karlsen Seim,Jorunn Økland,2009 How were ideas and experiences of transformation expressed in early Christianity and early Judaism This volume explores the social and philosophical frameworks within which transformative ideas such as resurrection and practices of becoming a new being were shaped It also explores the analogies and parameters by which transformation was being observed noted and asserted The focus on transformation helps to connect topics that tend to be studied separately such as cosmology resurrection aging gender and conversion The textual material is wide ranging and there are new readings of core passages Ideas and experiences of transformations in early Christianity and early Judaism Connects topics that tend to be studied seperately cosmology resurrection aging gender conversion With wide ranging textual material *Dominatrix* Danielle J. Lindemann,2022-12-22 Our lives are full of small tensions our closest relationships full of struggle between woman and man artist and customer purist and commercialist

professional and client and between the dominant and the submissive In *Dominatrix* Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals their work and their clients Prior research on sex work has focused primarily on prostitutes and most studies of BDSM absorb pro domme client relationships without exploring what makes them unique Lindemann satisfies our curiosity about these paid encounters shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry Upending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work Lindemann makes a major contribution to cultural studies anthropology and queer studies with her analysis of how gender power sexuality and hierarchy shape all of our social experiences

Sadomasochism and the BDSM Community in the United States Stephen K. Stein, 2021-02-16 *Sadomasochism and the BDSM Community in the United States* Kinky People Unite chronicles the development of sadomasochistic sexuality and its communities in the United States from the post war period to the present day Having evolved from scattered networks of sadomasochists to a coherent body bound by shared principles of safe sane consensual activists worked to transform popular perceptions of their community end its routine harassment by law enforcement and win inclusion in American society Often paralleling the work of LGBTQ activists people who engaged in BDSM Bondage and Discipline Dominance and Submission and Sadism and Masochism transformed both their own sexual practices and how outsiders perceived them successfully changing popular perceptions of them from fascists murderers and outlaws to people living an alternative lifestyle The development of this community highlights the interactions of people of different sexual orientations within a sexual community the influence of various campaigns for sexual freedom and the BDSM community s influence on popular perceptions of sexuality and sexual freedom The text s historical perspective gives depth and texture to a specific dimension of American history of sexuality This book will be of interest to students and scholars in the history of sexuality Its clear and direct approach offers an important and useful chronology of a movement that has long been neglected

The Political Ecology of Climate Change Adaptation Marcus Taylor, 2014-11-17 This book provides the first systematic critique of the concept of climate change adaptation within the field of international development Drawing on a reworked political ecology framework it argues that climate is not something out there that we adapt to Instead it is part of the social and biophysical forces through which our lived environments are actively yet unevenly produced From this original foundation the book challenges us to rethink the concepts of climate change vulnerability resilience and adaptive capacity in transformed ways With case studies drawn from Pakistan India and Mongolia it demonstrates concretely how climatic change emerges as a dynamic force in the ongoing transformation of contested rural landscapes In crafting this synthesis the book recalibrates the frameworks we use to envisage climatic change in the context of contemporary debates over development livelihoods and poverty With its unique theoretical contribution and case study material this book will appeal to researchers

and students in environmental studies sociology geography politics and development studies
