Women in the Ancient World John Peradotto,J. P. Sullivan,1987-04-15 One of the reasons for the study of the Greek and Roman classics is their perpetual relevance In no area can this position be more clearly defended than in the investigation of the feminine condition for it was here that basic attitudes derogatory to the sex were molded by legal and social systems by philosophers and poets and by the thinking of men long since gone Women in the Ancient World brings together essays that examine philosophy social history literature and art and that extend from the early Greek period through the Roman Empire Their wide range of critical perspectives throws new light on the personal political socio economic and cultural position of women

The Story of V Catherine Blackledge,2004 It is the seat of female sexual pleasure the site of the creation of humankind

and the channel for its birth Yet we know less about the vagina its structure and function than we do about any other organ of the human body Why Animal Messengers Regula Meyer,2015-05-29 An animal by animal guide that reveals the meaning behind each encounter we have with animals Provides sophisticated psychological insight into encounters with more than 150 animals birds reptiles insects and aquatic life Explores how animals reflect our inner world drawing our attention to inner turmoil relationship issues spiritual growth and the deepest needs of the soul Explains how the meaning of each encounter depends on whether the animal was hunting fleeing hiding or acting indifferent when sighted We each feel connections to animals in our own way Some of us have pets Others admire animals in the wild Because the outer world often reflects our internal states and animals are highly sensitive to our energies each encounter with an animal signals something about our inner world and innermost concerns The spontaneous surprising contacts are the telling ones a sparrow landing next to you a fox darting across the road or a bee alighting on your hand However even regular encounters with our pets can draw attention to our inner world and what needs to be thought over and grappled with from psychic turmoil and relationship issues to spiritual growth and the deepest needs of the soul Providing sophisticated psychological insight into encounters with more than 150 animals birds reptiles insects and aquatic life Regula Meyer explores the messages each animal provides for us on a personal level when we encounter them She explains how the meaning of each encounter depends on whether the animal was hunting fleeing hiding or acting indifferent when sighted For example a fleeing animal is prompting you to pursue a subject consciously while a hiding animal tells you to patiently observe something and draw insights from it The author shows how animal encounters in the wild cause us to contemplate the present moment and inspire the flow of our perceptions leading us to meditate on important concerns we may be ignoring or unaware of Pets and other animals we see every day act as intensifiers of the energy for which they stand With this animal by animal guide you can discover the deep meaning behind your encounters with animals and the messages they bring as oracles of our souls *Blonde Like Me*
