Parry, 2015-09-24 *Miracles of the Old Testament* Alonzo Gaskill, 2023-02-02 Beginning with the Creation the Old Testament contains a wealth of examples that showcase the Lord s power on earth Now you can find out what these miracles mean by examining their hidden symbolism and historical contexts Develop a greater appreciation for these miraculous moments and a deeper faith in the One who made them possible **Gethsemane, Golgotha, and the Garden Tomb** Ed J.

Pinegar, 2022-12-23 The Atonement is more than the center of the gospel it is the center and strength of our very lives Discover how the Atonement will change your life through not only asking for forgiveness but also seeking to forgive with this insightful book from renowned gospel teacher and scholar Ed J Pinegar This book will change how you view Christ s atoning sacrifice allowing you to feel of His love and power daily [The Tabernacle in the Wilderness](#) Willie J. Murphy Jr., 2022-11-03 The Tabernacle is the greatest of all the Old Testament types of Christ As we look closely at its furniture its priesthood and its feast observances we are afforded a glimpse of God s glory His grace and His love for His chosen people The sacrifices and rituals performed in the Tabernacle in the wilderness only pointed ahead to the time that God would reconcile His people to himself It is in this study of the Tabernacle that tangibles become teachable It is where Old Testament realities that could be touched become New Testament principles that must be put into practice It is through this study of the Tabernacle that we more fully understand the principle of the actuality of the old depicts the spirituality of the new In this study we get to see Jesus Christ His purpose and process of redemption His plan of salvation and His role as Savior The Tabernacle is a study of God s masterpiece of typography To come away from a study of the Tabernacle as an expert in the Tabernacle and still not understand how to approach and worship the Creator and having not experienced Jesus during your study will basically have been an exercise in futility The purpose of this study is not to acquire knowledge for the sake of having more knowledge It is not to make one a Bible scholar on the Tabernacle Instead the purpose of this study is to reveal Jesus throughout the Tabernacle and to enhance both one s corporate and individual worship experiences It is my sincerest hope and prayer that this book will give you a fresh perspective of worship a better understanding of His holiness

XII), Leviticus, Numbers and Deuteronomy** ,1889 The Bible-work James Glentworth Butler, 1892 Reconsidering the Atonement Lynn Maren Hofstad, Graduate Theological Union, 2013 The symbol of the cross has been for many a symbol of hope and God s forgiveness At the same time recent work in feminist and womanist theology asserts that rather than serving as a hopeful sign of forgiveness and a guide for how one should understand salvation atonement theology and the symbol of the cross in particular has been used to foster violence abuse subjugation and dependence This dissertation examines the symbolic nature of atonement theology and asks if the multiple problems presented by feminist and womanist theologians with regard to the atonement are caused not by the symbols but permitting the symbols to slide from a multivalent symbolic understanding to a literal univocal one This dissertation explores how symbol including metaphorical language has been understood to function in Christian theology with extensive analyses of Paul Ricoeur Paul Tillich and Sallie McFague It examines the use of symbolic language as it applies to the atonement in the theology of Colin Gunton I argue that understanding symbol solely in terms of its multivalency rather than reducing it to a univocal literal meaning helps mitigate the issue of the cross as a symbol of atonement and the metaphors used to describe atonement as perpetuating abuse as is articulated by some current feminist and womanist theologians **Atonement Theories** Ben Pugh, 2015-02-26 With the subject of the atonement of Christ attracting such a lot of polemical work at this time it is easy to conclude that the current debate is generating more heat than light Atonement Theories presents the beginning student pastor or researcher with an accessible and fair treatment of every school of thought on this subject Atonement Theories significantly updates previous histories of the doctrine providing analysis of some fascinating and highly significant recent developments It also intriguingly highlights at various points where aspects of this central message of Christianity might find a connection within contemporary culture It aims to empower the reader to quickly gain a working knowledge of current debates and the history

behind them *Atonement, Law, and Justice* Adonis Vidu, 2014-08-12 Adonis Vidu tackles an issue of great current debate in evangelical circles and of perennial interest in the Christian academy He provides a critical reading of the history of major atonement theories offering an in depth analysis of the legal and political contexts within which they arose The book engages the latest work in atonement theory and serves as a helpful resource for contemporary discussions This is the only book that explores the impact of theories of law and justice on major historical atonement theories Understanding this relationship yields a better understanding of atonement thinkers by situating them in their intellectual contexts The book also explores the relevance of the doctrine of divine simplicity for atonement theory *Mapping Atonement* William G. Witt, Joel Scandrett, 2022-10-04 This introduction traces the origins development and divergent streams of atonement theology throughout the Christian tradition and proposes key criteria by which we can assess their value The authors introduce essential biblical terms texts and concepts of atonement identify significant historical figures texts and topics and show how various atonement paradigms are expressed in their respective church traditions The book also surveys current hot topics in evangelical atonement theology and evaluates strengths and weaknesses of competing understandings of atonement
