Starter For Ten English Edition:

Resources for Teaching English: 11-14 Helena Ceranic, 2011-04-28 English teachers constantly have to think up new ways to engage their class. It's hard enough for teachers to fit all their marking, extra curricular duties and training into their lives, let alone finding time to think up exciting new ways of introducing Dickens or designing activities to bring Caribbean poetry to life. Resources for Teaching English 11-14 provides complete curriculum friendly lesson plans and student worksheets for busy secondary school teachers. This resource comprises an assortment of more than 70 lesson plans, each designed to motivate and inspire students and make the lesson go as smoothly and purposefully as possible. Each teacher's plan includes the aims and objectives of the lesson, a lesson starter, main lesson plan and plenary, each with suggested timeframes to help teachers keep inside the parameters of the lesson, homework ideas and tips for making it harder or easier for G/T or SEN students. Fully photocopiable or downloadable student worksheets accompany each lesson plan.
