hour bus trips make for weary legs and heartbreaking upsets Where coaches have to be teachers and mentors first and foremost Over the course of the season Breslin comes to understand that it s coaches like James Jones their priorities in order who realize that lessons learned in sport are often enduringly important and transferable to other areas of life They know that the game of basketball invented in a YMCA gym to vanquish winter blues and channel excess energy is a divine template for teaching and mentoring They know that mastery of a demanding skill in youth and of one s self often leads to mastery in adult life in the arts in the sciences in the professions and in business The author experienced all this and more firsthand But the most important lesson he learned is that if you ever visit the Yale locker room whatever else you do Don t step on the Y Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
