

FIFTH-GRADE STATE REPORT

Dear Parents/Guardians:

We have come to that time of year where our fifth-grade students research and write a state report.

Attached are the guidelines for students to follow in writing the report. We will be using some class time (directions, guidance, and starting) to work on this report, but they will also need to dedicate a lot of "home-time" (finishing up, research) working on this as well.

We ask that you guide your son or daughter in doing research on the state. **Students must write the report using their own thoughts and words and not copy from books or other sources.** Students should enjoy doing the state report from their own perspective. Your encouragement will mean a lot to your son or daughter!

Oral presentations on the states researched will be given. Students will also create a tour of their state using Google Earth.

Grades will be given for the state report (U.S History) and for the oral presentation (English).

If you have any questions, please contact your fifth-grade teacher.

Thank you,

Fifth Grade Teachers
