Sweet Surrender Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

Sweet Surrender Mary Moody, 2010-05-01 Pan Macmillan has been on a long and very successful journey with Mary Moody The trilogy of books describing her escape from mid life crises *Au Revoir* *Last Tango in Toulouse* and *The Long Hot Summer* has reached a generation of Australian women In her new book *Sweet Surrender* after all of her escapades and adventures Mary has come full circle and has embraced surrendering to the inevitable Surrendering to ageing to the pull of family to the happiness derived from a life that is centred on others as well as herself and to the undeniable influence of her parents and her family on the person she is It s been a journey that has taught her a lot but in the end the needs of her family her four children and her grandchildren turned out to be a lot more important than her French affairs At the heart of *Sweet Surrender* Mary challenges the illusion of eternal youth that s attributed to the baby boomer generation and the idea that she can obtain complete happiness by living life putting her own needs first Yet like in her other books she does so in a very personal way describing how she herself was drawn in by the notion of denying the ageing process and by living life without the burden of obligation to the needs of others That was until events in her life conspired to make her realise that you can t just run away from the essence of who you are and that the most deeply satisfying moment in life can be experienced when fulfilling the needs of those who you love
