Carter,2022-05-17 The *Bern Book* is a travelogue a memoir a diary of an isolated soul Darryl Pinckney and a meditation on the myth and reality of race in midcentury Europe and America In 1953 having left the US and settled in Bern Switzerland Vincent O Carter a struggling writer set about composing a record of a voyage of the mind The voyage begins with Carter s furiously good humored description of how every time he leaves the house he must face the possibility of being asked the hated question namely Why did you a black man born in America come to Bern It continues with stories of travel war financial struggle the pleasure of walking the pain of self loathing and through it all various experiments in what Carter calls lacerating subjective sociology Now this long neglected volume is back in print for the first time since 1973 **The Blue Period** Jesse McCarthy,2024-04-25 Addresses the political and aesthetic evolution of African American literature and its authors during the Cold War an era McCarthy calls the Blue Period In the years after World War II to be a black writer was to face a stark predicament The contest between the Soviet Union and the United States was a global one an ideological battle that dominated almost every aspect of the cultural agenda On the one hand was the Soviet Union espousing revolutionary communism that promised egalitarianism while being hostile to conceptions of personal freedom On the other hand was the United States a country steeped in racial prejudice and the policies of Jim Crow Black writers of this time were equally alienated from the left and the right Jesse McCarthy argues and they channeled that alienation into remarkable experiments in literary form Embracing racial affect and interiority they forged an aesthetic resistance premised on fierce dissent from both US racial liberalism and Soviet communism From the end of World War II to the rise of the Black Power movement in the 1960s authors such as Richard Wright James Baldwin Gwendolyn Brooks and Paule Marshall defined a distinctive moment in American literary culture that McCarthy terms the Blue Period In McCarthy s hands this notion of the Blue Period provides a fresh critical framework that challenges long held disciplinary and archival assumptions Black writers in the early Cold War went underground McCarthy argues not to depoliticize or liberalize their work but to make it more radical keeping alive affective commitments for a future time [African American Literature in Transition, 1960-1970: Volume 13](#) Shelly Eversley,2022-11-24 This volume considers innovations transitions and traditions in both familiar and unfamiliar texts and moments in 1960s African American literature and culture It interrogates declarations of race authenticity personal and collective empowerment political action and aesthetics within this key decade It is divided into three sections The first section engages poetry and music as pivotal cultural form in 1960s literary transitions The second section explains how literature culture and politics intersect to offer a blueprint for revolution within and beyond the United States The final section addresses literary and cultural moments that are lesser known in the canon of African

American literature and culture This book presents the 1960s as a unique commitment to art when Black became a political identity one in which racial social justice became inseparable from aesthetic practice Sweet Thunder Chambers Jack (author),1901 *Work Song* Ivan Doig,2010-06-29 An award winning and beloved novelist of the American West spins the further adventures of a favorite character in one of his richest historical settings yet If America was a melting pot Butte would be its boiling point observes Morrie Morgan the itinerant teacher walking encyclopedia and inveterate charmer last seen leaving a one room schoolhouse in Marias Coulee the stage he stole in Ivan Doig s 2006 *The Whistling Season* A decade later Morrie is back in Montana as the beguiling narrator of *Work Song* Lured like so many others by the richest hill on earth Morrie steps off the train in Butte copper mining capital of the world in its jittery heyday of 1919 But while riches elude Morrie once again a colorful cast of local characters and their dramas seek him out a look alike sound alike pair of retired Welsh miners a streak of lightning waif so skinny that he is dubbed Russian Famine a pair of mining company goons a comely landlady propitiously named Grace and an eccentric boss at the public library his whispered nickname a source of inexplicable terror When Morrie crosses paths with a lively former student now engaged to a fiery young union leader he is caught up in the mounting clash between the iron fisted mining company radical outside agitators and the beleaguered miners And as tensions above ground and below reach the explosion point Morrie finds a unique way to give a voice to those who truly need one Watch a Video **Uptown Conversation** Robert G. O'Meally,Brent Hayes Edwards,Farah Jasmine Griffin,2004 *Uptown Conversation* asserts that jazz is not only a music to define it is a culture The essays illustrate how for more than a century jazz has initiated a call and response across art forms geographies and cultures inspiring musicians filmmakers painters and poets Epistrophies Brent Hayes Edwards,2017-06-05 Hearing across media is the source of innovation in a uniquely African American sphere of art making and performance Brent Hayes Edwards writes He explores this fertile interface through case studies in jazz literature both writings informed by music and the surprisingly large body of writing by jazz musicians themselves **The Hard Sell of Paradise** Jason Sperb,2022-03-01 *The Hard Sell of Paradise* examines how mid twentieth century Hollywood negotiating the rhetoric of the tourism industry offered a complex and contradictory vision of Hawai i for its audiences From the classic studio system and elite tourism of the 1930s to a postwar era of mass travel TV and new leisure markets the book explores how an eclectic group of populist media reflected the language of tourism not only through its narratives of leisure but also through its complex engagement with larger cultural and historical questions such as colonialism world war and statehood Drawing on rare archival research *The Hard Sell of Paradise* also explores the valuable role that tourism partners such as United Airlines Matson Cruise Lines and the Hawaii Tourist Bureau played in directly and indirectly influencing such films and television shows as *Waikiki Wedding* *Diamond Head* *Blue Hawaii* *The Endless Summer* and *Hawaii Five O* **Love at Any Cost (The Heart of San Francisco Book #1)** Julie Lessman,2013-04-15 Jilted by a fortune hunter cowgirl Cassidy McClare is a spunky Texas oil heiress without a fortune
