

A romantic close-up photograph of a man and a woman. The woman, on the left, has long, wavy brown hair and is looking up at the man with a soft expression. She is wearing a white strapless top and a textured, shimmering shawl or wrap. The man, on the right, is shirtless and looking down at her with a gentle, intense gaze. His hand is resting on her shoulder. The background is a warm, golden-brown color, suggesting a sunset or indoor lighting.

Swinging Saved Our Marriage English Edition:

Sync Your Relationship, Save Your Marriage Peter Fraenkel, Ph.D., 2011-03-15 Award winning couples therapist Peter Fraenkel argues that most relationship problems can be traced to partners being out of sync on the powerful but mostly hidden dimension of time Differences in daily rhythms personal pace punctuality time perspective and priorities about how time is allocated can all lead to couple conflict Yet the fascinating fact is that these polarizing time differences play a potent role in attracting lovers in the first place In this trailblazing new book he draws on his original research to show how a clearer understanding of these forces can improve the health of your relationship and even rescue a failing one *Cutting Your Losses from a Bad or Toxic Relationship* Dr. J.A. McGruder Ph.D. CRC, 2018-10-04 Life itself can be like riding a roller coaster It s full of ups and downs high and low points Using the lyrics of an old gospel song by Linda Ronstadt Life is like a mountain railway with an engineer that s brave We must make this run successful from the cradle to the grave one of the greatest challenges we all face to navigate life s journey is developing healthy godly relationships One of our greatest failures in developing healthy relationships is well described by a story sharer in this book She compares a bad or toxic relationship with the plight of sin Sin will take you farther than you want to go keep you longer than you want to stay and cost you more than you want to pay Such can be said about a bad or toxic relationship In Dr McGruder s book *Cutting Your Losses from a Bad or Toxic Relationship* he warns those who discover themselves in such a relationship and fail to heed warnings and escape from harm s way Remaining in such a relationship can waste a significant portion of your life s journey and the result can tally up to emotional mental psychological and spiritual gross costs However this book will provide insight on how to survive and thrive it all *Say Yes* Donna Hill, 2012-06-06 Donna Hill returns to the beloved characters she introduced in *If I Could* with this poignant insightful story of a woman who dares to say no to a loveless existence and yes to the challenges and pleasures of living life on her own terms Regina Everette never expected things to be simple when to the shock of everyone around her she walked away from her empty marriage Of course she never expected to find real love waiting around the corner either Now that she s with Parker Heywood she knows what true happiness feels like Still it comes with a price Her children want their father to be the only man in her life and he s determined to win Regina back Parker has his own obligations too a teen daughter who wants to be the first and only woman in his life With everyone outside the relationship seemingly bent on pulling them apart their love will be put to the ultimate test But through it all Parker is willing to stay by Regina s side forever if she will only say yes A spellbinding story that will give any reader or book club plenty to talk about *Romantic Times* [The Cry of the Cuckoos](#) John Cargile, 2009-03-01 The cuckoo bird is a master of deception fooling other species in their race to copy their chirping begging call When Donald Drummond and his wife Anne chase after the killer of his father Henry Drummond they find themselves up against a radical right wing supremacist organization called the Society of Southern Patriots and like the cuckoo bird deception is the Society s mission The couple unravels a terrorist

plot which will kill Washington dignitaries at the Super Bowl and delegates at the United Nations Donald a retired news reporter and Anne a retired school teacher unfold the mystery leading them on a wild chase from Alabama to Texas And one of the many murder suspects is Donald s biological mother Betty Jo Duke who he only just met after his father s death Donald and Anne are hired as informants by the FBI to unravel the mysterious case and they get a lot more than they bargained for The author is clearly a good writer with sufficient description dialogue scenes and sequels places in the book where main character is found between the scene having just taken place and the scene yet to come The author has made good use of the five senses as well as his descriptions of people and places to create and weave a good tale *Save the Secret Date* Ellie Cahill,2019-09-25 Secrets can be sweet Secrets can be dirty Secrets can change everything Mary s always been the kind of person you can trust with a secret Her lips are guaranteed sealed Unfortunately she s just as good at keeping her own secrets Like the one about her crush on her former roommate Jake who moved 2 000 miles away without knowing how she felt about him Thanks to their friends destination wedding in Mexico however Mary is about to be face to face with Jake and the rest of her college friends for the first time in two years Will she be able to find the courage to tell him how she feels And even if she does what happens when they all go home again Every guest at this wedding seems to have a secret of their own When all the truth comes out will it lead to a broken heart or a happily ever after *Swing Low* Miriam Toews,2025-08-26 Internationally bestselling author Miriam Toews recounts her father s life as he might have told it right up to his final day One morning Mel Toews put on his coat and hat walked out of town and took his own life A loving husband and father a faithful member of the Mennonite church and an immensely popular school teacher Mel was a pillar of his close knit community Yet after a lifetime of struggling with bipolar disorder he could no longer face the ruptures in his world *Swing Low* is an elegiac ode to a life by an author drawing from the deepest wells of insight and emotion *Annual Editions* ,1972
