About Me: This will be my **second** year at Dakota Valley and my second year teaching Anatomy and Physiology. I am very excited about this class and will continue to make it the best I possibly can! I grew up in Battle Creek, IA and earned my Bachelor's degree in Biology and Secondary Education from Briar Cliff University. I enjoy spending time with my fiancé and my nieces and nephew.

Tips for Success: Anatomy and Physiology is a course that requires memorization of body parts and functions. Therefore, students must be willing to put forth time and effort on a regular basis in order to be successful. Classroom activities and resources will be geared to help facilitate this type of learning. Taking a few minutes during SRB and each evening to practice and quiz yourself will really help.

Classroom Expectations: Please bring the following with you to class each day: your laptop, textbook, notebook, folder, pencil, and pen. Assignments turned in after the due date will receive, at most, half credit. In addition to the daily routine, students will be expected to read and verbally report on a current health science topic once each quarter.
