The Moose Club David Bischoff, 2016-09-02 There are incidents and emergencies in the world that defy logical explanation events that could be defined as supernatural extraterrestrial or simply otherworldly Standard laws do not allow for such instances nor are most officials or authorities trained to handle them In recognition of these facts one organization has been created that can Assemble by a loose international coalition their mission is to deal with these situations using diplomacy guile force and strategy as necessary They shield the rest of the world from their own actions and clean up the messes left in their wake They are our protection our guide our sword and our voice all rolled into one They are O C L T In Eugene Oregon there is a rash of suicides All of them by hanging All of them in locked rooms that preclude outside interference and all of them committed with identical antique nooses Captain Bill Edmonds of the Eugene Police Department is trying to figure out what could be behind the pattern but comes up empty until the grisly phenomena hits the Internet radar of the O C L T Geoffrey Bullfinch arrives in town hoping to track down the answers With Bill s fiance Madrigal Harper her son Skylar and his band of ghost hunting friends an ex comic who once performed with John Belushi and a cast of characters including New Jersey Mobsters book collectors and pizza chefs they fight to close the net on the killer before there can be more hangings And that s just the beginning

Sylvania, Lucas County, Ohio Gayleen Gindy, 2017-08-02 Join the author in reliving Sylvania s over 180 years of history from footpaths to expressways and beyond in volume six of an eight volume set With over 30 years of research she has included every subject imaginable that helped bring Sylvania to where they are today with excellent schools over the top parks and recreation rich beautiful homes commercial and industrial businesses and a quaint historical downtown that looks like it was planned by Norman Rockwell himself This book is a treasure trove of information for the thousands who have ancestors that once lived and helped Sylvania grow through these years Located in Northwestern Ohio Sylvania is a suburb of Toledo Ohio and for many years has been known as the fastest growing suburb in Lucas County A once rural farm community between both the city and township they have grown from a combined 2 220 residents in 1910 to 48 487 in 2010 Over a short period of time the land has transformed into beautiful subdivisions of grand houses so that now their subdivision names are all that remain to remind them of their once dense forests and sprawling farmlands No longer can Sylvania be called the bedroom community of Toledo because over the last 50 years they have done a lot more than sleep
