Handbook of Research on Small Business and Entrepreneurship Elizabeth Chell, Mine Karataş-Özkan, 2014-03-28 This insightful Handbook focuses on behaviour performance and relationships in small and entrepreneurial firms

Effective Entrepreneurial Management Robert D. Hisrich, Veland Ramadani, 2016-12-23 This textbook provides a comprehensive overview of the essential issues in effective entrepreneurial management. It first introduces readers to the fundamentals of entrepreneurial management: the nature of entrepreneurial managers and business planning, before exploring the specific topics of creativity and innovation, risk management, entrepreneurial marketing and organization, as well as financing. The authors then move to contemporary topics such as entrepreneurial growth strategies, e-commerce challenges, ethical and socially responsible entrepreneurial management, franchising and managing entrepreneurial family ventures. Each chapter provides a case study and several practice-based examples to help explain the concepts. By providing a truly international approach, this text offers ample theoretical and empirical insights into entrepreneurship and small business management. It is a valuable and up-to-date resource for teachers and students of entrepreneurship.

Leadership Ronald R. Sims, Scott A. Quatro, 2015-01-28 The contributors to this wide-ranging volume seek to define exactly what leadership is or should be and how to effectively develop it. Guided by an unusual framework that looks at leadership across different sectors and functions, they examine what they view as the major leadership challenges in highly visible for-profit, not-for-profit and government organizations throughout the world. Their insights will prove equally useful as a general survey of leadership problems for executive policy makers and for undergraduate and graduate students in the specific fields examined in the text.

Strategy and Superior Performance of Micro and Small Businesses in Volatile Economies Carvalho, João Conrado de Amorim, Sabino, Emmanuel M.C.B., 2019-02-08 Companies operating in countries with volatile economies face an environment subject to turbulence. It is important to understand how these companies can overcome adversity, establish competitive advantage and achieve superior performance. The selection of competitive drivers can help to improve the ability to capture process and manage information that can generate knowledge and innovation in products and processes, as well as increase strategic capacity and organizational performance. **Strategy and Superior Performance of Micro and Small Businesses in Volatile Economies** focuses on the ways that organizations capture information and disseminate it in their work teams, transforming this knowledge into innovative products and services that establish competitive advantage. It will improve the understanding of the role of strategy, innovation, entrepreneurship and the effort to reduce poverty levels in societies with volatile economies and which are subject to serious social disparities. Highlighting topics such as economic development, market performance and network economy, this publication is designed for managers, entrepreneurs, business professionals, academicians, researchers and students.
