Small Packages Shaken Series English Edition:

Anyone But You KG MacGregor, 2014-06-12 An underground pipeline has ruptured spilling oily sludge into Minnesota's pristine Lake Bunyan. Taking the media's heat for Nations Oil is Corporate Communications Director Cathryn Mack, an old pro when it comes to spinning the facts in her company's favor. Stuck in Duluth to handle the press during eight weeks of cleanup, she finds a silver lining when Stacie Pilardi pops up on SappHere, a mobile app that seeks out nearby lesbians. Stacie is smart, funny, sexy as hell, and wants a long-term relationship as much as Cathryn, which is to say not at all. A perfect arrangement until they realize they're rivals. Stacie is head of the Clean Energy Action Network in town to protest the greed and recklessness of oil companies and the havoc they wreak on the environment. It's best for everyone involved if they end this, and that's exactly what they intend to do. Eventually.

Trial by Fury KG MacGregor, 2016-05-01 When a coed is viciously assaulted on the campus of Harwood University, performance studies professor Celia Perone learns a brutal truth: star athletes can get away with whatever they want. Threatened with her job if she goes public, Celia pays a secret visit to celebrated women's rights attorney Theodora Constantine. Theo's riding high after winning a very public sexual harassment claim against a cable news network. Next up for her firm is a class action suit that will strain her small staff. She can't afford to get sidetracked by another case, but Celia won't take no for an answer. The case is compelling, and so is Celia, so much that Theo finds herself falling hard. But before they can win love, they have to win justice.

West of Nowhere KG MacGregor, 2013-07-01 It was a great dream while it lasted. At twenty-five, Amber Halliday thought life on the road with one of Nashville's hottest bands was her ultimate fantasy come true. Then, in the blink of an eye, she finds herself abandoned at a truck stop in Kentucky. No money, no family, and nowhere to go. Navy veteran Joy Shepard, passing through on a cross-country trip, simply can't ignore a woman in distress, even if common sense tells her to drive on. She has room in her truck for Amber and a temporary job caring for her wheelchair-bound father once they reach Oakland. In a moment of weakness, she offers both. Though grateful for the opportunity, Amber finds herself on pins and needles over Joy's obsessive tidiness and stringent rules. Little wonder since Joy finds her slovenly and undisciplined. No way will these two opposites attract. A romance this thorny can only be headed right back where it started: nowhere.

The Touch of a Woman KG MacGregor, 2015-11-01 A workplace rampage leaves Ellis Rowanbury grieving her husband of twenty-six years and feeling more adrift than she ever thought possible. Her finances in shambles, she gratefully accepts a junior-level job at a magazine in Sacramento and wills herself to move on. Summer Winslow has pieces of her own to pick up, pieces that were scattered when her partner began drinking again. Fighting pressure from all directions to patch things up, she finds a welcome break from the drama in Ellis, her mysterious new neighbor. Happy to have a friend on her side, Summer is caught off guard when her feelings for Ellis take a romantic turn. With the tragedy fading behind her, Ellis too entertains the possibility of romance. A handsome coworker is eager to fill the void in her heart, and it's clear he can give her a life much like the one she lost. Only now she's paralyzed by a
