**THE DIALECTICS OF
DERACINATED LOCALISM**

Small Towns Austere Times The Dialectics Of Deracinated Localism

Steve Hanson

Small Towns Austere Times The Dialectics Of Deracinated Localism:

Small Towns, Austere Times Steve Hanson, 2014-09-26 This book explores small town austere Britain The text argues for a return to both dialectical thinking and politicized community research in light of the current austere landscape in order to intellectually militate against centre right think tanks It also urges for a kind of epistemological anarchism which refuses to view the small towns which are the subject of the book through existing common sense paradigms particularly those of state and capital but also those of cosy localism

Small Cities, Big Issues Christopher Walmsley, Terry Kading, 2018-07-20 Small Canadian cities confront serious social issues as a result of the neoliberal economic restructuring practiced by both federal and provincial governments since the 1980s Drastic spending reductions and ongoing restraint in social assistance income supports and the provision of affordable housing combined with the offloading of social responsibilities onto municipalities has contributed to the generalization of social issues once chiefly associated with Canada's largest urban centres As the investigations in this volume illustrate while some communities responded to these issues with inclusionary and progressive actions others were more exclusionary and reactive revealing forms of discrimination exclusion and othering in the implementation of practices and policies Importantly however their investigations reveal a broad range of responses to the social issues they face No matter the process and results of the proposed solutions what the contributors uncovered were distinctive attributes of the small city as it struggles to confront increasingly complex social issues If local governments accept a social agenda as part of its responsibilities the contributors to Small Cities Big Issues believe that small cities can succeed in reconceiving community based on the ideals of acceptance accommodation and inclusion

Theatre in Towns Helen Nicholson, Jenny Hughes, Gemma Edwards, Cara Gray, 2022-12-27 Theatre in Towns offers a contemporary perspective on the role of theatre in the cultural life of towns in England Exploring volunteer led professional and community theatres this book investigates the rich and diverse ways that theatres in towns serve their locality negotiate their civic role participate in networks of mutual aid and exchange and connect audiences beyond their geographical borders With a geographical focus on post industrial seaside commuter and market towns in England the book opens questions about how theatre shapes the narratives of town life and how localism networks and partnerships across and between towns contribute to living sustainably Each chapter is critically and historically informed drawing on original research in towns including visits to performances and many conversations with townspeople from theatre makers performers set builders front of house volunteers to audience members and civic leaders Theatre in Towns asks urgent questions about how the relationships between towns and theatres can be redefined in new and equitable ways in the future Theatre in Towns brings new research to scholars and students of theatre studies cultural geography cultural and social policy and political sociology It will also interest artists policy makers and researchers wanting to develop their own and others understanding of the value of active theatre cultures in towns The Open Access version of this book available at www.taylorfrancis.com has been made available
