Becoming a High Expectation Teacher Christine Rubie-Davies,2014-08-13 We constantly hear cries from politicians for teachers to have high expectations But what this means in practical terms is never spelled out Simply deciding that as a teacher you will expect all your students to achieve more than other classes you have taught in the same school is not going to translate automatically into enhanced achievement for students Becoming a High Expectation Teacher is a book that every education student training or practising teacher should read It details the beliefs and practices of high expectation teachers teachers who have high expectations for all their students and provides practical examples for teachers of how to change classrooms into ones in

which all students are expected to learn at much higher levels than teachers may previously have thought possible It shows how student achievement can be raised by providing both research evidence and practical examples This book is based on the first ever intervention study in the teacher expectation area designed to change teachers expectations through introducing them to the beliefs and practices of high expectation teachers A holistic view of the classroom is emphasised whereby both the instructional and socio emotional aspects of the classroom are considered if teachers are to increase student achievement There is a focus on high expectation teachers those who have high expectations for all students and a close examination of what it is that these teachers do in their classrooms that mean that their students make very large learning gains each year Becoming a High Expectation Teacher explores three key areas in which what high expectation teachers do differs substantially from what other teachers do the way they group students for learning the way they create a caring classroom community and the way in which they use goalsetting to motivate students to promote student autonomy and to promote mastery learning Areas covered include Formation of teacher expectations Teacher personality and expectation Ability grouping and goal setting Enhancing class climate Sustaining high expectations for students Becoming a High Expectation Teacher is an essential read for any researcher student trainee or practicing teacher who cares passionately about the teacher student relationship and about raising expectations and student achievement

Support and Retain Educators of Color Andrea Terrero Gabbadon,2023-07-20 Support and Retain Educators of Color sets school leaders on the path to creating a culturally diverse environment where all students and teachers can thrive Multiple studies have explored the benefits of teacher diversity and strategies to recruit educators of color but few focus on how to retain them As professional demands on teachers intensify many are leaving the classroom and educators of color already underrepresented in the field are walking away at higher rates than their white counterparts Research indicates the presence of educators of color benefits all students so we must act now to lessen this financially and culturally costly turnover Andrea Terrero Gabbadon presents six principles to guide school leaders in their efforts to support and retain educators of color Acknowledge that teacher diversity matters Cultivate reflection and self awareness Assess and plan for action Commit to sustainable and high impact instructional supports Foster supportive environments for culturally responsive approaches Lead for an inclusive community Featuring voices from teachers in the field research based strategies and solutions and recommendations for resources to enhance understanding and practice Support and Retain Educators of Color is a vital tool for leadership intent on cultivating an affirming validating and inclusive school environment to serve a diverse population of staff and students
