The Snark Handbook: Parenting Edition Lawrence Dorfman,2013-03-20 Do we dare go after the holiest of institutions that bastion of reverence known as Motherhood and Fatherhood Do we take a chance ticking off the entire world After all we re either a mother or a father or a son or a daughter Are we indeed on Shaky ground Have we finally gotten to the one thing that we shouldn t poke fun at Is the sanctity of our home life the one untouchable Nah Throughout the ages the one constant in literature music film politics and life has been the love hate relationship we have with our parents or kids Whether we ve sucked up to them to get what we want or we ve ignored and alienated them family is the cornerstone for the majority of headaches that we deal with on a daily basis We love them we hate them we resent them we loathe them but unfortunately no matter what they still show up on Thanksgiving and eat the big turkey leg With that said what s a better gift for Mother s Day Father s Day Grandparents Day hell any day where you can tell your loved ones exactly how you feel But one word of caution Be careful They know all your deep dark secrets
