Spirit Possession And The Origins Of Christianity

Elizabeth J. West

Spirit Possession And The Origins Of Christianity:

Spirit Possession and the Origins of Chr Stevan L. Davies, 2014-11-01 Stevan Davies argues that the historical Jesus of Nazareth had little to do with the initial foundation and spread of Christianity rejecting the standard views that the Christian movement was initiated by the teachings of Jesus or by stories that Jesus had been seen alive after his death It was Jesus experience of Holy Spirit possession and then the Holy Spirit possession experiences of Jews and Gentiles throughout the Roman empire that gave rise to the Christian religion In addition to the entire text of Jesus the Healer this book contains important new essays on the Pentecostal origins of Christianity and the apocryphal Odes of Solomon as evidence of a pre Christianity Praise for Jesus the Healer Stevan Davies offers a fascinating reading of the Gospels that takes serious account of their description of Jesus as a spirit filled exorcist and healer Elaine Pagels Princeton University author of The Gnostic Gospels The Jesus quest has spawned a number of seminal studies of late but none more brilliant surprising and engaging than this one Purely on the basis of secular anthropology and psychology Davies makes a persuasive case for Jesus as a Spirit possessed healer and exorcist The work is a tour de force that opens a whole new vista on Jesus and the forces he unleashed Walter Wink Auburn Theological Seminary Jesus emerges not only as a healer and exorcist of demon possessed sufferers but as one who is at times himself spirit possessed The resulting picture brings Jesus and his people into a world of healers and prophets sufferers and followers consistent with what we know of colonial peasant societies Erika Bourguignon Ohio State University author of Religion Altered States of Consciousness and Social Change What about Stevan Davies s recent hypothesis that Jesus was an ecstatic healer who taught others how to meet God in ecstasy Jesus himself spoke Johannine like when in ecstasy and synoptic like when not in ecstasy That explains both these traditions as equally primitive and also explains that wide swath of Spirit possessed trance in the primitive church John Dominic Crossan author of Jesus A Revolutionary Biography and The Historical Jesus Stevan L Davies is Professor of Religious Studies at Misericordia University and the author of several books on early Christianity including Revolt of the Widows The Gospel of Thomas and Christian Wisdom The Gospel of Thomas Annotated Explained and The Secret Book of John the Gnostic Gospel Annotated Explained

Jesus the Healer Stevan L. Davies, 1995 Jesus the Healer argues that at least some of the sayings of Jesus in John s gospel for example I and the Father are one and I come from the Father are quotations from Jesus himself when possessed by and speaking as the spirit of God This book is a radical new look at Jesus as exorcist and healer

The Oxford Handbook of Early Christian Ritual Rikard Roitto, 2018-11-08 Scholars of religion have long assumed that ritual and belief constitute the fundamental building blocks of religious traditions and that these two components of religion are interrelated and interdependent in significant ways Generations of New Testament and Early Christian scholars have produced detailed analyses of the belief systems of nascent Christian communities including their ideological and political dimensions but have by and large ignored ritual as an important element of early Christian religion and as a factor contributing to the rise and the

organization of the movement In recent years however scholars of early Christianity have begun to use ritual as an analytical tool for describing and explaining Christian origins and the early history of the movement Such a development has created a momentum toward producing a more comprehensive volume on the ritual world of Early Christianity employing advances made in the field of ritual studies The Oxford Handbook of Early Christian Ritual gives a manifold account of the ritual world of early Christianity from the beginning of the movement up to the fifth century The volume introduces relevant theories and approaches central topics of ritual life in the cultural world of early Christianity and important Christian ritual themes and practices in emerging Christian groups and factions

The Routledge Companion to Ecstatic Experience in the Ancient World Diana Stein, Sarah Kielt Costello, Karen Polinger Foster, 2021-12-30 For millennia people have universally engaged in ecstatic experience as an essential element in ritual practice spiritual belief and cultural identification This volume offers the first systematic investigation of its myriad roles and manifestations in the ancient Mediterranean and Near East The twenty nine contributors represent a broad range of scholarly disciplines seeking answers to fundamental questions regarding the patterns and commonalities of this vital aspect of the past How was the experience construed and by what means was it achieved Who was involved Where and when were rites carried out How was it reflected in pictorial arts and written records What was its relation to other components of the sociocultural compact In proposing responses the authors draw upon a wealth of original research in many fields generating new perspectives and thought provoking often surprising conclusions With their abundant cross cultural and cross temporal references the chapters mutually enrich each other and collectively deepen our understanding of ecstatic phenomena thousands of years ago Another noteworthy feature of the book is its illustrative content including commissioned reconstructions of ecstatic scenarios and pairings of works of Bronze Age and modern psychedelic art Scholars students and other readers interested in antiquity comparative religion and the social and cognitive sciences will find much to explore in the fascinating realm of ecstatic experience in the ancient world

Roots of Haiti's Vodou-Christian Faith R. Murray Thomas, 2014-06-19 This book traces the development of Haiti's combined Vodou Christian religion from 1500 to the present and explains how this combination of distinct faiths coalesces in a coherent belief system What are the historical reasons for the popularity of two contradictory worldviews in Haiti Vodou and Catholicism What elements of Vodou and Catholicism are alike and how are they drastically different What is the connection between indigenous African religions and Vodou And why has religion in Haiti evidenced an accelerating rate of change in recent decades Roots of Haiti's Vodou Christian Faith African and Catholic Origins answers these questions and more in its examination of the highly unique and often misunderstood religious practices in Haiti Reaching back half a millennium to the European conquest of the island of Haiti author R Murray Thomas inspects the origins and nature of these two competing and complementary religious traditions the traditional African faiths brought by the slaves who were imported to Haiti to labor in the fields and mines and the Catholicism promoted often violently by Spanish and French colonial authorities

Following a historical background the subsequent chapters focus on the organization of Haitian religion spirits creation belief causes and ceremonies maxims and tales symbols and sacred objects sacred sites religious societies and the future of the Vodou Christian faith Christian Origins and the Language of the Kingdom of God Michael L. Humphries,1999

Traditionally scholars have traced the origin of Christianity to a single source the kingdom of God as represented in the message of the historical Jesus Through a rhetorical critical analysis of one of the most important texts in early Christian literature the Beelzebul controversy Michael L Humphries addresses the issue of Christian origins demonstrating how the language of the kingdom of God is best understood according to its locative or taxonomic effect where the demarcation of social and cultural boundaries contributes to the emergence of this new social foundation Humphries establishes the Q and Markan versions of the Beelzebul controversy as relatively sophisticated compositions that are formally identified as elaborate chreiai a literary form used in the teaching of rhetoric at the secondary and post secondary level of Greco Roman education and that offer an excellent example of the rhetorical manipulation of language in the development of social and cultural identity *The Pseudepigrapha and Christian Origins* Society for New Testament Studies,2008-11-01 This work features original contributions from world class scholars from the Studiorum Novi Testament Societas The Anthropology of Religion, Magic, and Witchcraft -- Pearson eText Rebecca L Stein,Philip Stein,2015-08-07 This book emphasizes the major concepts of both anthropology and the anthropology of religion and examines religious expression from a cross cultural perspective while incorporating key theoretical concepts It is aimed at students encountering anthropology for the first time

Paul and the Heritage of Israel David P. Moessner,Daniel Marguerat,Mikeal C. Parsons,Michael Wolter,2012-03-29 Examines the figure of Paul within both the book of Acts and the Pauline writings **Ritual and Christian Beginnings** Risto Uro,2016-04-29 The rise of early Christianity has been examined from a myriad of perspectives but until recently ritual has been a neglected topic *Ritual and Christian Beginnings A Socio Cognitive Analysis* argues that ritual theory is indispensable for the study of Christian beginnings It also makes a strong case for the application of theories and insights from the Cognitive Science of Religion a field that has established itself as a vigorous movement in Religious Studies over the past two decades Risto Uro develops a socio cognitive approach to the study of early Christian rituals seeking to integrate a social level analysis with findings from the cognitive and evolutionary sciences *Ritual and Christian Beginnings* provides an overview of how ritual has been approached in previous scholarship including reasons for its neglect and introduces the reader to the emerging fields of Ritual Studies and the Cognitive Science of Religion In particular it explores the ways in which cognitive theories of ritual can shed new light on issues discussed by early Christian scholars and opens up new questions and avenues for further research The socio cognitive approach to ritual is applied to a number of test cases including John the Baptist the ritual healing practiced by Jesus and the early Christians the social life of Pauline Christianity and the development of early Christian baptismal practices The analysis creates building blocks for a new account of

Christian beginnings highlighting the role of ritual innovation cooperative signalling and the importance of bodily actions for the generation and transmission of religious knowledge Early Christian Ritual Life Richard E. DeMaris, Jason T.

Lamoreaux, Steven C. Muir, 2017-11-22 Scholars across many fields have come to realize that ritual is an integral element of human life and a vital aspect of all human societies Yet this realization has been slow to develop among scholars of early Christianity Early Christian Ritual Life attempts to counteract the undervaluing of ritual by placing it at the forefront of early Christian life Rather than treating ritual in isolation or in a fragmentary way this book examines early Christian ritual life as a whole The authors explore an array of Christian ritual activity employing theory critically and explicitly to make sense of various ritual behaviors and their interconnections Written by leading experts in their fields this collection is divided into three parts Interacting with the Divine Group Interactions Contesting and Creating Ritual Protocols This book is ideal for religious studies students seeking an introduction to the dynamic research areas of ritual studies and early Christian practice

The Oxford Handbook of Latin American Christianity David Thomas Orique, Susan Fitzpatrick-Behrens, Virginia Garrard, 2020 Latin America where 90% of the population is Christian and where nearly 40% of the world's Catholics reside has its own unique brand of Christianity The Oxford Handbook of Latin American Christianity offers a survey of Latin American Christianity from thirty three leading scholars The volume systematically introduces and examines dramatic shifts in Catholic and Protestant Christianity over the course of several centuries Its four sections explore the emergence of colonial Christianity its institutional and popular evolution and its dynamic role the region's contemporary developments

Drunk in the Spirit Merrill G. Greene, 2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one's own cherished stories

The Mirror of Christianity, Cults, and the Catholic Church Richard Bennett, 2021-05-13 Are we on the brink of a theological war between Conservative Protestant Christianity and the new Charismatic Protestant Christian movement known as the New Apostolic Reformation NAR Are they as demonic as some well known pastors say A very debated question This is a book that must be read by every ex Catholic that perhaps has second thoughts Reading this book is assurance the decision was right And let us not forget those Prosperity preachers who constantly ask for money This book exposes them even to their very core beliefs which are shocking and unbelievable *Religious Experience of the Pneuma* Clint Tibbs, 2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14 The

experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world *Caribbean Religious History* Ennis B Edmonds,Michelle A Gonzalez,2010-06-01 The colonial history of the Caribbean created a context in which many religions from indigenous to African based to Christian intermingled with one another creating a rich diversity of religious life Caribbean Religious History offers the first comprehensive religious history of the region Ennis B Edmonds and Michelle A Gonzalez begin their exploration with the religious traditions of the Amerindians who flourished prior to contact with European colonizers then detail the transplantation of Catholic and Protestant Christianity and their centuries of struggles to become integral to the Caribbean s religious ethos and trace the twentieth century penetration of American Evangelical Christianity particularly in its Pentecostal and Holiness iterations Caribbean Religious History also illuminates the influence of Africans and their descendants on the shaping of such religious traditions as Vodou Santeria Revival Zion Spiritual Baptists and Rastafari and the success of Indian indentured laborers and their descendants in reconstituting Hindu and Islamic practices in their new environment Paying careful attention to the region s social and political history Edmonds and Gonzalez present a one volume panoramic introduction to this religiously vibrant part of the world **Jesus, the Galilean Exorcist** Amanda Witmer,2012-02-23 Amanda Witmer presents an investigation of exorcism in the activities of the historical Jesus particularly the connection between spirit possession and exorcism on the one hand and the socio political context of first century Galilee on the other Witmer draws on research from the areas of sociology anthropology archaeology and biblical studies to illuminate this aspect of Jesus career as well as the broader social implications of spirit possession in those he treated and the exorcisms themselves Evidence found in the strands underlying the Synoptic Gospels is evaluated using the criteria of authenticity and comparative analysis in order to establish early and historical material Questions posed and answered concern the historical plausibility of Jesus role as exorcist the possibility that his own career began with a period of spirit possession and the meaning that his exorcisms conveyed to his first century audience Thus the methodology includes textual analysis sociological analysis of general cultural patterns within which first century Palestine can be fitted and anthropological analysis of the plausible functions of both spirit possession and exorcism in agrarian societies *African Spirituality in Black Women's Fiction* Elizabeth J. West,2012-12-07 African Spirituality in Black Women s Fiction traces the beginnings and transformations of African spirituality in African American women s literature and culminates with an examination of its return to center stage in the fiction of black Renaissance writers Nella Larsen an *The Rise of the Christian Religion* Charles Frederick Nolloth,1917 *The Ghost in the Universe* Taner Edis,2009-12-02 Emphasizing the results of natural science physicist Taner Edis takes a fresh look at an age old question Is there a God or a spiritual reality beyond nature

Thank you extremely much for downloading **Spirit Possession And The Origins Of Christianity**. Most likely you have knowledge that, people have seen numerous times for their favorite books following this Spirit Possession And The Origins Of Christianity, but end stirring in harmful downloads.

Rather than enjoying a good ebook gone a cup of coffee in the afternoon, on the other hand they juggled subsequent to some harmful virus inside their computer. **Spirit Possession And The Origins Of Christianity** is open in our digital library an online permission to it is set as public therefore you can download it instantly.
