Phenomenon in Organizational Communication: How Public Knowledge Fails to Become Organizational Action

Xin-An Lu, 2003-05 There seem to be two realms in our waking time work and life However work is often juxtaposed against life which is found in anything but work Organizational work has become nothing more than the necessary evil the means for a livelihood Work has ubiquitously become the enemy of life What culprit has dichotomized work and life Public secrets Empirically based this book explores and testifies why the phenomenon of public secrets may have transformed our organizational life into a big lie to which we are all forced to subscribe against private consciousness Public secrets represent the communication phenomenon where public knowledge though tacitly acknowledged and widely espoused is never incorporated into organizational actions and daily routines As a consequence employees are not living their organizational life with their heads and hearts but with our heels Employment with heels is the biggest un economics against time it costs wastes and debilitates it makes work the arch enemy of life *The Wisdom and Teachings of Stephen R. Covey* Stephen R. Covey, 2012-11-13 Stephen R Covey passed away in July 2012 leaving behind a legacy unmatched in his writings about leadership time management effectiveness and success even love and family *The Wisdom and Teachings of Stephen R Covey* is a compilation of his most profound inspiring teachings and sayings Among the topics covered in this book are time management success leadership including principle centered leadership all of the 7 Habits love and family *Reflections on Communication, Education, Scholarship, and Life* Xin-An Lu, 2003-07 Our actions in education business and government are no longer guided by conscious ideals but by entrenched practices that are products of expediency indolence and even tyranny Inveterate and ubiquitous problems abound Students hate school Employees dislike their jobs Professors become disinclined toward teaching Boredom and procrastination are everywhere There are promotion requirements such as scholarly publications by college professors that promote nothing and benefit none except to move the person into the next nominal category along the spectrum of the organizational ladder We are plagued with senseless competitive patterns and numerical evaluations that make life a mere matter of rat race the winning of which does not uplift us into the sublimity of humanity but trammel us in the degradation of being rats Essays in this book reflect on and search for answers to widespread and inveterate problems that degenerate modern life into mere livelihood Products in sober solitude rather than in the societal

cacophony most essays in the book were written during the author's doctoral studies **Bible Of Authors** Harshal P. Barot, 2021-07-30 This book is on the life stories of best authors and has some untold life incidents which were never known authors with brilliant brains but it's about how did they manage to come on top after a degrading life and miserable losses as a motivational story book *Healing Souls* Eric G. Swedin, 2022-08-15 In this first history of psychotherapy among the Latter-day Saints Eric G. Swedin describes how modern psychology has affected the healing of souls in the LDS community But he also shows how this community melded its theological doctrines with mainstream psychiatry when secular concepts clashed with fundamental tenets of Mormonism The psychological professions pervasive in twentieth century American society were viewed as dangerous by some religious communities *Healing Souls* describes the LDS community's mixed feelings about science and modernity while valuing knowledge Mormons feared a challenge to faith Nonetheless psychology courses were introduced at Brigham Young University and LDS psychotherapists began to introduce new ideas and practices to the community Swedin portrays the rise of professional organizations such as the Association of Mormon Counselors and Psychotherapists as well as the importance of Allen E. Bergin first director of the BYU Institute for Studies in Values and Human Behavior Bergin and others paved the way for the LDS adoption of professional psychotherapy as an essential element of their cure of souls Important chapters take up LDS psychopathology feminist dissent LDS philosophies of sexuality and the LDS rejection of mainstream psychotherapy's selfist psychology on the basis of theological doctrines of family salvation eternalism and the natural man *Healing Souls* contributes to a more complete historical picture of the mental health professions in North America and a better understanding of how religious traditions and psychology have influenced each other Historical Dictionary of the Latter-day Saints Thomas G. Alexander, Davis Bitton, 2019-10-08 The Church of Jesus Christ of Latter-day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C.E. the church's membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of *Historical Dictionary of the Latter-day Saints* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross-referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter-day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter-day Saints **Business Gurus** Ian Wallis, 2012-01-20 *Business Gurus* is an essential introduction to business and leadership thinking A must read for anyone working in or studying business *Business Gurus* explains simply and clearly the most important elements from the world's most influential leadership and management thinkers All major gurus both past and present are featured including Michael Porter Tom Peters Peter Drucker Michael Gerber Peter Senge Jim Collins Ken Blanchard Charles Handy Richard Koch John

Kotter Richardo Semler Stephen Covey Seth Godin and many more For each of these Gurus the book explains their background the main theories for which they are known the context for these theories and how they compare to other business thinking Crucially the book also looks at how each theory works in practise *Second Wind* Dr. Bill Thomas, William H. Thomas, 2015-03-24 Dr Bill Thomas one of the most innovative thinkers in medicine explains that a new life phase is beginning to emerge within our society When the Baby Boom generation came of age in the 1960s and 1970s they jump started a cultural revolution that shaped today s society Now many feel they are living a life of frenzied disharmony This out of balance feeling is a signal that you are ready for your second coming of age your life beyond adulthood This title illuminates how to recognize and navigate the most challenging and fulfilling developmental stage of life Publishes description [Historical Dictionary of Mormonism](#) Davis Bitton, Thomas G. Alexander, 2008-10-23 Clearing up many of the misconceptions held about Mormonism and its members the third edition of the Historical Dictionary of Mormonism expands on the second edition and includes hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events *The Promise to the One* Jason Hewlett, 2020-05-13 The greatest joy and fulfillment are within your reach but they require an enduring Promise to The One someone you might not expect It s not your boss your spouse your children or others no the ultimate commitment is The Promise you make to yourself to discover your purpose and gifts and share them with the world Everyone has been hurt or negatively impacted by broken promises Promise breaking and a lack of integrity are symptomatic of the most chronic illness faced by society today Even though many leadership courses and ethics programs tout integrity as a buzzword few of us are really assessing our own values unless someone calls us out on a discrepancy But even when others don t catch on to the fa ade when our values aren t in alignment with our actions and when our actions aren t consonant with our gifts and passions we re left feeling isolated drained and depressed No recognition or acceptance from others can fill the void in the same way as when you keep a Promise to yourself and actually follow through on it The Promise is the highest level of engagement we commit to in any experience The Promise is greater than a goal it s a sacred commitment It s complete dedication to identifying your Signature Moves the unique talents you ve been given that when developed and used to better others lives make you a Legendary Leader What choices do you make when no one is watching How do you approach a decision that requires you to let either yourself or someone else down How do you stay committed to your values even when the less rewarding path is more convenient A renowned speaker and performer who has helped audiences worldwide appreciate what accountability really means Jason Hewlett shares his program for self discovery and taking ownership of your gifts in *The Promise to The One* His unique three step method IDENTIFY CLARIFY MAGNIFY will enable you to pinpoint your strengths shape them into an identity to which you commit and develop them so that they can improve others lives as well as your own Filled with Jason s signature wit and vulnerability as well as actionable exercises this book will help you refine your character and reach your

dreams through the power of kept Promises Start your journey to living a life of Promise Making and Keeping beginning with The Promise to The One *Field Leadership* Ken Shelton,2020-06-10 You already live work or play in a field but do you exercise proactive and principled leadership in your field During the decade of the 2020s you will be challenged and may be displaced your life disrupted by unforeseen events and conditions requiring you to make uncomfortable changes and perhaps enter new fields Field Leadership is an inspiring and practical guide for all those who perform in any field that expects them to excel as individuals and as team members and achieve desired wins and impressive results in spite of tough competition and market undulations With faith and focus you might lead yourself and others to achieve a 3X yield in your field
