

“SPIRITUAL HEALING”

THERE IS NOT ONE MALADY OR DISEASE THAT CANNOT BE
HEALED ON THIS EARTH.

IT IS ‘OUR’ (and no-body can do it for us) UNADULTERATED,
PURE, UNINTERRUPTED BELIEF IN THIS KNOWLEDGE THAT WILL
DETERMINE OUR HEALING AND OUR HEALTH AND THE SPEED WITH WHICH
WE ACHIEVE IT –
WE CAN DO IT – KNOW IT – AND DO IT!

This information is from the original pure teachings of the Great White Brotherhood, ‘The Bridge to Freedom’ and ‘Saint Germain Press’ material only. Nothing of my own is added and I have changed nothing. (Anthea)

These teachings were given to us via the accredited messengers (a very rare thing) Guy Ballard and Geraldine Innocente in the 1930’s and 1950’s, respectively.

We go as far as our teacher, so if we want to enter the realms of uninterrupted peace, harmony, love, wisdom, perfect health, abundance and every other GOOD and constructive thing, learn the LAWS OF LIFE from those that have mastered them – the Beloved Ascended Hosts -then apply them to our life and WATCH the perfection start to unfold in every aspect of our life! It is Cosmic Law, it has to!

These are the most profound teachings of truth and wisdom I have ever come across. These teachings are the same ancient truths and LAWS OF LIFE found in all sacred texts, introduced in a modern and easy to apply format. This information is no longer hidden in parables or in far off temples, it is here with us now, and we need to USE it to heal ourselves, our planet and all on her. They WILL set us free into the realms of peace, harmony, health, abundance and every GOOD thing, and lead us to our Ascension, which is our reason for being, but as with anything in life, the amount of effort put in determines the rewards! There are no short-cuts! “As you sow, so you reap” in ALL areas of our life!

If you want to HEAL yourself, apply these teachings wholeheartedly. The tools given to us by the Ascended Hosts (the Ascended Masters, Angelic and Elementals realms) work perfectly – God never intended for any miscreations in His/Her Kingdom, and we are all individualized aspects (children) of THE GREAT GOD-HEAD on Earth, endowed with the same powers - so how can we be sick, poor, angry, tired or any other things that are not GOOD? God is ONLY GOOD (GO(O)D) – ANYTHING else is misused energy and needs to be rectified. It is time for humanity to WAKE-UP from our long slumber, and use the POWER within us, for all and everything – NEVER DOUBTING IT!

THE POWER OF THE ATTENTION

From: ‘THE WILL OF GOD’ By Thomas Printz (Beloved El Morya) Pg 21

I cannot stress too much the power of the attention. Saint Germain and other Ascended Ones have repeatedly cautioned the students regarding the governing, controlling, and focusing of the attention in order to maintain mastery and freedom from limitation.

Your attention is the faculty which focuses a beam of electrical energy upon any given point. This beam, or LIGHT RAY, is formed by your own Life Energy which flows along the line of force made by your attention upon the condition which you are ‘witnessing’.

There is a magnetic Law which acts here whereby the substance, energy and quality upon which your attention is fixed begins to flow back into your world and affairs instantly. According to the intensity with which your attention is fixed upon a condition is the return of the quality into your world.

Spiritual Healing Jack Angelo, Jan Angelo, 2002

The authors present 30 exercises based on the human body's natural energy fields. The various techniques explained in this book are specifically intended to alleviate physical pain, heal many ailments, and bring comfort to the terminally ill. As preparation for the exercises, readers are instructed in both the history and theory of spiritual healing. They go on to learn methods intended to awaken their own healing powers, energize working and living spaces, locate the body's chakras, and even sense beneficial energy fields surrounding animals and plants. The authors' aims are to offer a celebration of all spiritual aspects of the human journey from birth to death. Their book presents an accessible approach to a popular method of personal development that focuses on both the body and the spirit: a holistic approach to healing. Approximately 180 color illustrations help readers visualize and activate the energy fields that surround us all.

Spiritual Healing Eileen Inge Herzberg, 1998-01

The Handbook of Spiritual and Energy Healing Martin K. Ettington, 2020-06-11

I have been studying the spiritual and paranormal my entire life. This has also led to me having many paranormal experiences, such as prophecy. I'm also a Reiki healer and have experimented a lot with vital forces and different healing methods. Since I'm also an engineer, I think this gives me a fairly unique perspective on the scientific and the spiritual. My view is that spiritual faith and psychic healing can often be entirely separate approaches. In looking at all the books available on this topic, I saw a lot focusing on the

spiritual aspects and some focused on Chakra usage or Reiki healing What I didn't see was an overview and history of the whole topic to help people understand how spiritual and energy healing developed and how it fits into the science and medicine of today There is also a need to see how spiritual and energy healing integrates with other medicines to improve a person's long term health In Part One of this book we cover the sources of vital forces and energies in the human body Part Two is on the history spiritual and vital forces healings and many examples of spiritual and faith healers Part Three is all about how you can develop these healing abilities yourselves Exercises to learn these healing processes are included Part Four covers how to integrate the spiritual mental and physical parts of your being to provide stable long term health for your life

Your Healing Power Jack Angelo, 1994 This is a practical guide for all those who wish to find out about healing to work on themselves or to work professionally as healers

The Teleios Technique James C. Cox, 2004-02-01 Most of the human race believes in a life beyond the here and now Religious writings have put such beliefs into words often esoteric mysterious words for thousands of years Among such writings are those which form the Christian Bible the sixty six books commonly called the Old and New Testaments Strangely the Bible doesn't say much about what the life which lies beyond is like that is how it is actually lived There are excellent reasons why of course chief among them being that while we are living here we should focus on living this life as God would have us live it The Bible insists however that we are connected to the life beyond in a cause and effect way that is how you live here determines how you live hereafter Moreover tantalizing allusions to Heaven are scattered throughout the Bible The Last Bridge weaves a tale about a man who actually travels beyond this life and world experiencing the reality of what the Bible hints at It is not however merely an imaginative travelogue Our hero is a stubborn agnostic one who has been deeply wounded by life What his adventures do to him and the events in which he becomes involved form an absorbing narrative full of surprises all the way to the final page

The Complete Idiot's Guide to Spiritual Healing Susan Gregg, 2000 Promotes awareness of mind body spirit connection and provides techniques for healthier living

A Practical Guide for Magnetic and Spiritual Healing Jussara Korngold, 2017-12-21 The power of healing through one's gaze touch and the laying on of hands is one of the forms by which spiritual action is exerted over the world Some individuals by prayer and magnetic lan attract this influx to themselves this radiance of the divine force which drives off the impure fluids that cause so much suffering The spirit of charity of devotion verging on sacrifice of forgetfulness of self is the condition necessary to acquire and preserve this power one of the most wonderful ones bestowed by God on humans In the words of the Spirit Emmanuel health means the perfect harmony of the soul Some ancient practices advocated the need for cure of the subtle body prior to any permanent physical cure could be achieved This is also present in the Spiritist approach to healing To heal human beings must be considered in their wholeness body plus spirit All the healers of antiquity were initiates and priests In modern medicine there is a great demand for highly specialized training and this leads us to ask Who can heal When considering spiritual healing through passes we can safely say that everyone is able to heal to some degree and we will be looking at this throughout this book
