Spread Sheets For Baseball Tryouts:

The Only Rule Is It Has to Work Ben Lindbergh, Sam Miller, 2016-05-03 A kind of gonzo Moneyball The New York Times bestseller about two statistics minded outsiders being allowed to run a professional baseball team New York Times Book Review It s the ultimate in fantasy baseball You get to pick the roster set the lineup and decide on strategies with real players in a real ballpark in a real playoff race That s what baseball analysts Ben Lindbergh and Sam Miller got to do when an independent minor league team in California the Sonoma Stompers offered them the chance to run its baseball operations according to the most advanced statistics Their story in The Only Rule Is It Has to Work is unlike any other baseball tale you ve ever read We tag along as Lindbergh and Miller apply their number crunching insights to all aspects of assembling and running a team following one cardinal rule for judging each innovation they try it has to work We meet colorful figures like general manager Theo Fightmaster and boundary breakers like the first openly gay player in professional baseball Even Jos Canseco makes a cameo appearance Will their knowledge of numbers help Lindbergh and Miller bring the Stompers a championship or will they fall on their faces Will the team have a competitive advantage or is the sport s folk wisdom true after all Will the players attract the attention of big league scouts or are they on a fast track to oblivion It s a wild ride by turns provocative and absurd as Lindbergh and Miller tell a story that will speak to numbers geeks and traditionalists alike And they prove that you don t need a bat or a glove to make a genuine contribution to the game **Web Page**

Making It Home Teresa Strasser, 2023-06-06 This is a story about a team that becomes a family and a family that becomes a team a wonderful book Cal Ripken Jr A MUST READ USA TODAY ONE OF THE BEST BOOKS OF 2023 An aching heartfelt and surprisingly funny memoir about family grief and moving forward When her brother dies from cancer and then her mother just four months later Teresa Strasser has no one to mourn with but her irresponsible cantankerous trailerpark dwelling father He claims not to remember her chaotic childhood but he s a devoted grandpa so as her son

embarks on his first season pitching in Little League Teresa and Nelson form a grief group of two in beach chairs lined up behind the first base line There are no therapeutically trained facilitators and no rules other than those dictated by the Little League of America and the human heart For Teresa and her father the stages of grief are the draft the regular season and the playoffs One season of baseball becomes the framework for a memoir about family loss and the fundamentals of baseball and life They cheer talk smack about other teams scream at each other in the parking lot and care way too much about Little League Making It Home is a bracingly honest journey through grief self doubt and anxiety armed with humor and optimism After all America s pastime may be just a game but it always leaves room for redemption even at the bottom of the lineup
