One would think that dropping your child off at school would be the safest place your child could ever be besides being at home but when something terrible happens at the school who do you turn to Victorious demonstrates how the Power of God could transform any grave situation into something totally miraculous and even perhaps unexplainable In this true testimonial story 13 year old Jordan Mejias embarks on a journey that would test the faith of even the strongest of Christian believers At the height of his game as a recent All American Football Player everything would drastically change for him on January 12th 2017 when during his off season athletic period a game called King of the Mat would leave him in a nightmare He would experience the worst possible situation anyone could ever face in his entire life Left with a severe concussion that would disable him completely and eventually leave him in a dark place for not days but months at a time the impact of it all would come to effect him physically and emotionally It would result in a decision that would determine whether God s plan for Jordan was to either choose life or death In the end God decided his fate and the transformation that took place afterwards would bring about a fact that God still performs miracles to this day And He performs them Victoriously NBS Special Publication ,1974 **Mekeel's Weekly Stamp News** I.
