

Spring Car Maintenance Checklist

Check Your Battery

Winter is harsh on your battery. Ensure it's holding a strong charge to avoid unexpected breakdowns as the weather warms up.

As winter ends and spring nears, it's time for a car checkup. Cold weather can wear down your vehicle, so let's ensure it's ready for smoother, safer rides ahead.

Replace Worn Windshield Wipers

Winter is harsh on wiper blades. Inspect them for any signs of damage or wear, such as cracking or tearing. Replace them if necessary.

Check Your Tires

Inspect your tires for wear and tear, ensuring proper pressure and tread depth for safe spring driving.

Wash and Wax

Give your vehicle a fresh start this spring by washing and vacuuming it to remove winter grime and debris, restoring its shine and cleanliness.

Inspect your AC

Before spring arrives, it's wise to inspect your car's AC system, ensuring it's primed and ready to keep you cool as the temperatures rise after winter.

Check Belts & Hoses

Don't forget to inspect your car's belts and hoses for any signs of wear or deterioration as part of your spring maintenance routine.

If you need help with your vehicle this spring, contact Dream Nissan. Our team is here to address any maintenance or repair needs promptly, ensuring your car is ready for the season.
