Booth, 2019-01-29 In literature and popular culture small town America is often idealized as distilling the national spirit Does the myth of the small town conceal deep seated reactionary tendencies or does it contain the basis of a national re imagining During the period between 1940 and 1960 America underwent a great shift in self mythologizing that can be charted through representations of small towns Authors like Henry Bellamann and Grace Metalious continued the tradition of Sherwood Anderson in showing the small town by extension America itself profoundly warping the souls of its citizens Meanwhile Ray Bradbury Toshio Mori and Ross Lockridge Jr sought to identify the small town s potential for growth away from the shadows cast by World War II toward a more inclusive democratic future Examined together these works are key to understanding how mid 20th century America refashioned itself in light of a new postwar order and how the literary small town both obscures and reveals contradictions at the heart of the American experience *The American Midwest* Andrew R. The Lights of Sugarberry Cove Heather Webber, 2021-07-20 The Lights of Sugarberry Cove is a charming delightful story of family healing love and small town Southern charm by USA Today bestselling author Heather Webber Sadie Way Scott has

been avoiding her family and hometown of Sugarberry Cove Alabama since she nearly drowned in the lake just outside her mother's B B Eight years later Sadie is the host of a much loved show about southern cooking and family but despite her success she wonders why she was saved What is she supposed to do Sadie's sister Leala Clare is still haunted by the guilt she feels over the night her sister almost died Now at a crossroads in her marriage Leala has everything she ever thought she wanted so why is she so unhappy When their mother suffers a minor heart attack just before Sugarberry Cove's famous water lantern festival the two sisters come home to run the inn while she recovers It's the last place either of them wants to be but with a little help from the inn's quirky guests the sisters may come to terms with their strained relationships accept the past and rediscover a little lake magic At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied Editor & Publisher, 1925 The fourth estate *Bulletin* Salem Public Library, 1919 *Furniture Manufacturer and Artisan*, 1920 *The Canadian Short Story* Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany *The Athenaeum*, 1880 *From a Distant Relation* Mikhah Yosef Berdichevsky, 2021-12-14 In his short life 1865-1921 Mikhah Yosef Berdichevsky was a versatile and influential man of letters an innovative Hebrew prose stylist a collector of Jewish folklore a scholar of ancient Jewish and Christian history He was at once a peer of Friedrich Nietzsche the Brothers Grimm and a diverse circle of Jewish writers in the Russian Empire and German speaking countries As a Yiddish writer however he remains unknown to general readers Written in 1902-1906 but not published in full until the 1920s his stories were dismissed by prominent critics and viewed as out of step with the literary taste of his own time Yet these vivid portraits of a small Jewish town shtetl in the southern Russian Empire can speak powerfully to new audiences today With enchanting humor social satire and verbal dexterity *From a Distant Relation* captures the world of the shtetl in a sharp realist prose style Themes of repressed desire poverty relations with non Jews and historic upheavals echo in a cast of memorable characters

Many of the stories and monologues feature strong female protagonists while others shed light on misogyny in the culture of the shtetl. At the border between fiction and reportage with a gritty underbelly and a deceptive naïveté, Berdichevsky's stories explore dynamics of wealth, power, and gender in an intimate setting that resonates profoundly with contemporary Jewish life.

Congressional Record United States. Congress, 1940 **The Speaker**, 1905 Writing the Story of Texas Patrick L. Cox, Kenneth E. Hendrickson, Jr., 2013-03-01. The history of the Lone Star state is a narrative dominated by larger-than-life personalities and often contentious legends presenting interesting challenges for historians. Perhaps for this reason, Texas has produced a cadre of revered historians who have had a significant impact on the preservation, some would argue, creation of our state's past. An anthology of biographical essays, *Writing the Story of Texas*, pays tribute to the scholars who shaped our understanding of Texas's past and ultimately the Texan identity. Edited by esteemed historians Patrick Cox and Kenneth Hendrickson, this collection includes insightful cross-generational examinations of pivotal individuals who interpreted our history. On these pages, the contributors chart the progression from Eugene C. Barker's groundbreaking research to his public confrontations with Texas political leaders and his fellow historians. They look at Walter Prescott Webb's fundamental innovative vision as a promoter of the past and Ruthe Winegarten's efforts to shine the spotlight on minorities and women who made history across the state. Other essayists explore Llerena Friend delving into an ambitious study of Sam Houston, Charles Ramsdell courageously addressing delicate issues such as racism and launching his controversial examination of Reconstruction in Texas, Robert Cotner, an Ohio-born product of the Ivy League bringing a fresh perspective to the field, and Robert Maxwell engaged in early work in environmental history.
