Heavenly Father gives everyone spiritual gifts. What are some of yours?

Do you know someone who's really good at showing love? Or someone who has a lot of faith in Jesus Christ? These are two examples of spiritual gifts, and there are many more. In the scriptures, we learn that everyone has at least one!

You might not know what your spiritual gifts are yet. But you can start looking for clues.

Color in the checkbox by the gifts you think you might have. (You can also talk to a parent about what gifts they notice in you.) If one of your gifts isn't here, add it to the list!

Transforming Children Into Spiritual Champions George Barna, 2003-11-21 No one can deny that our culture is opposed to Christian values and the influences bombarding our children's moral development can be deadly But few parents and church leaders realize how critical it is to start developing a child's biblical worldview from the very earliest years of life The problem is complex parents who themselves did not receive early spiritual training leave their children's training to the church Yet the church often focuses on older children not realizing that a child's moral development is set by the age of nine The answer is for churches to recognize the need to come alongside parents to provide them biblical worldview training parenting information counseling etc that will equip them to help their children become the spiritually mature Church of tomorrow Profiles presented of churches who are effectively ministering to children and winning the war our enemy is waging against them Research orientated books on childhood spiritual development Raising Heaven Bound Kids in a Hell Bent World by Eastman Curtis What Your Kids Need to Know About God and When by John Trent Introducing the Spiritual Side of Parenting by Ron Clarkson Bringing Up Boys by James Dobson *Training Your Children to Remain in the Vine* Terita St. Julian, 2018-04-09 We are living in a difficult period Sin is all around us and sinful ways are rapidly becoming more accepted Often due to aggressive social pressures Christians are slowly adapting to worldly ways of thinking But how will our children be able to handle the challenges ahead of them if many of our godly principles are being denied in society Training Your Children to Remain in the Vine reminds parents that God is calling His people to bring an urgent awareness that He is alive and real This spiritual guidebook is filled with the testimonies uncertainties disappointments mishaps and miraculous moments of a real journey of an ordinary wife and mother as she made the decision to answer the call of God Author Terita St Julian shares how her decision to say yes to God moved her family closer to Christ and meticulously transformed their lives unlike anything she could have ever imagined Jesus states I am the vine you are the branches If you remain in me and I in you you will bear much fruit apart from me and you can do nothing John 15:5 When parents are inspired to have a Spirit led lifestyle and remain in Christ they can fulfill God's purposes and train their children the way God intended Get ready to reap the benefits of learning how to make time for God receive God's power and model a lifestyle that motivates your children and others to welcome the miraculous power of the Spirit NIV® Standard Lesson Commentary® 2023-2024 Standard Publishing, 2023-06-06 As the world's most popular annual Bible commentary for more than three decades Standard Lesson Commentary SLC provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples

Children's Ministry on Purpose Steven J. Adams,2017-03-28 Many children's ministries are a flurry of activity run by dedicated volunteers and staff who put in long hours and work hard for the good of the children and parents they serve Yet

despite good intentions many children's ministries today are not effective. They lack purpose and intentionality. A twenty-five year veteran of children's ministry in the local church, pastor Steve Adams has ministered to families in multiple churches from tiny church plants to his present position at Saddleback Church. In this book, Steve applies the revolutionary insights of the Purpose-Driven Church to children's ministry and leads readers on a journey of discovery, showing them how to develop an intentional ministry process that moves children toward spiritual health while building a healthy ministry environment for those who work with kids. You will learn how to ask and answer five simple but powerful questions: Why are we on this journey? Where are you and where are you going? Who are we trying to reach? How will we move our children towards spiritual health? What are the essential elements necessary for the journey? There is no single key to a successful children's ministry, nor is there only one way that works for everyone. But there is a proven process you can follow, and Steve shows how children's ministries all over the world are reaching their God-given potential by discovering their biblical purpose, avoiding the traps of frustration and burnout.

Rock-Solid Kids Larry Fowler, 2005-01-03. Children's ministry is being pushed and pulled by education models, statistical analysis, growth techniques, cultural change, and technological advancements. But with the weight of all these influences, little attention is given to what ought to be the most important influence in molding the shape of children's ministry: the Word of God. Whether your children's ministry is in your home or in your church, the purpose of this book is to enable you to build a children's ministry that is rock-solid, modeled on scriptural teachings. Each chapter of this book starts with a Scripture passage, a rock for your foundation. The Scripture passage specifically refers to children or ministering to them. Each chapter contains a thorough discussion of implications and applications.

Forever Kalei's Mom Lorene Holizki, 2015-07-22. In the space of a heartbeat, author Lorene Holizki was thrust into a world she did not know or want. On August 20, 2001, the unimaginable happened: her 16 and a half year old daughter, Kalei, was killed instantly in a head-on car crash. Desperate for insight into the emotions that threatened to crush her from the inside out, Holizki learned everything she could about her different world and new life. Along the way, she discovered there was an entire lifetime housed within the world of grief. In *Forever Kalei's Mom*, she offers a deeply personal analysis of death and her journey through the grieving process. Divided into three sections, this memoir gives a sense of Holizki's relationship with her daughter, discusses the inner turmoil of the unimaginable grief, and shares how grief and the future learn to cohabitate. At times heartbreaking, *Forever Kalei's Mom* discusses the lessons she has learned during the process. It presents an honest look at the chaotic mental and emotional grieving journey from Holizki's perspective as a mother.
