Kuepfer,2025-12-01 Ever since Adam and Eve ate the forbidden fruit challenges with leadership have shaped our world Over and over again broken self serving people have assumed power and authority over their fellow human beings with disastrous results Conflict war and suffering fill our history s pages right up to this present day Few leaders if any apart from Jesus of Nazareth have ever left behind a spotless legacy of sacrificial leadership Whether in our businesses the government our communities or our families we continue to see numerous examples of abandoned values betrayed trust exploitation manipulation and the loss of integrity Our world will always be in desperate need of a leadership role model that genuinely seeks the betterment of all society We need a better way a perfect leadership role model we can always count on and trust We believe his name is Jesus and practicing his principles of serving leadership will set you up to lead love and serve to change the world In our first book Becoming a Leader Worth Following we introduced The Serving Leadership Journey with a primary focus on self leadership Before leading others we need to become leaders worth following In this second book we are focusing on developing trusting relationships Those who lead themselves well build a foundation of credibility creating an environment for strong leader follower relationships The Spirit-Led Leader Timothy C. Geoffrion,2005-11-14 In our postmodern experience oriented culture people are longing for greater authenticity integrity and depth in their pastors and leaders Board directors church members and staff alike are all eagerly seeking leaders who effectively integrate their spirituality and leadership Pastors and executives however often struggle with knowing how to integrate their spiritual values and practices into their leadership and management roles Designed for pastors executives administrators managers coordinators and all who see themselves as leaders and who want to fulfill their God given purpose The Spirit Led Leader addresses the critical fusion of spiritual life and leadership for those who not only want to see results but who also desire to care just as deeply about who they are and how they lead as they do about what they produce and accomplish Geoffrion creates a new vision for spiritual leadership as partly an art partly a result of careful planning and always a working of the grace of God
