out of a sandstorm during Operation Desert Storm and caught Iraq's Republican Guard Corps in the open desert along the North-South grid line of a military map referred to as the 73 Easting. Taken by surprise, the defending Iraqi armor brigade was swept away in salvos of American tank and missile fire in what became the U.S. Army's largest tank battle since World War II. Douglas Macgregor, the man who trained and led Cougar Squadron into battle, recounts two stories. One is the inspiring tale of the valiant American soldiers, sergeants, lieutenants, and captains who fought and won the battle. The other is a story of failed generalship, one that explains why Iraq's Republican Guard escaped, ensuring that Saddam Hussein's regime survived and America's war with Iraq dragged on. Certain to provoke debate, this is the latest book from the controversial and influential military veteran whose two previous books, *Breaking the Phalanx* and *Transformation Under Fire*, are credited with influencing thinking and organization inside America's ground forces and figure prominently in current discussions about military strategy and defense policies. Its fast-moving battle narrative, told from the vantage point of Macgregor's Abrams tank, and its detailed portraits of American soldiers, along with vivid descriptions of the devastating technology of mounted warfare, will captivate anyone with a taste for adventure as well as an interest in contemporary military history. *Willing to Live* Enrico Theoc, 2004-12 Everybody is busy working their own hustle to take care of their own damn issues. Who's supposed to look out for yours? Those are the words uttered by Ben's best friend Dre when Ben is faced with the fact that after a six-hour search, his parents are missing. Relatives, friends, and the police have no clue of their whereabouts. And neither do they care. Ben is willing to do whatever it takes to get his parents and his life to where it should be. But after Dre is caught up in a bank heist, Ben realizes that the world is more against him than he thought. Set in the heart of the Miami streets, *Willing to Live* is the story of a young man forced to grow up in less than 24 hours. **3 Gates of the Dead** Jonathan Ryan, 2014-07-01 Sometimes the most evil things come from the most holy. Conflicted with his faith in God and the hypocrisy of the church, Aidan Schaeffer, a young assistant pastor, is in a constant state of spiritual turmoil. When Aidan learns that his ex-fiancee is the first victim in a string of ritualistic killings, he finds himself in the middle of an even deeper fight. Tormented by demonic threats and haunted by spirits, Aidan throws himself into investigating Amanda's death, all the while supernatural forces have begun to attack the people around him. The more questions he asks, the more he is drawn into the world of a mysterious Anglican priest, a paranormal investigation group, and a rogue female detective investigating the murders. As the gruesome rituals escalate, ancient hidden secrets and an evil long buried threaten to rip Aidan's world apart.
