Agency and Institutions in Sport Mathew Dowling, Jonathan Robertson, Marvin Washington, Becca Leopekey, Dana Ellis, 2024-08-30 This book offers a unique insight into the role of individuals and organisations in shaping institutional arrangements within the context of sport

Institutional approaches can be used to examine the complex relationships between sport organisations and their broader environment and can help explain some of the most fundamental questions about the nature of how sport is organised including why are many sport organisations so similar Why do they adopt practices that are seemingly irrational And how can we explain how change occurs within sport organisations In drawing upon contemporary scholarship and empirical evidence collected by internationally recognized experts within sport this book provides a contemporary collection of studies that advances the understanding of agency in institutions through sport In doing so the chapters in this book bridge the theoretical divide between mainstream management and sport management to help facilitate a joint venture for future research This book will be essential reading for advanced undergraduate or postgraduate students on sport or sport related courses and researchers interested in institutional analysis and its potential application to sport The chapters in this book were originally published as a special issue of *European Sport Management Quarterly* *Media, Women, and the Transformation of Sport* Pamela J. Creedon, Laura A. Wackwitz, 2024-12-20 This edited collection provides a singular look at contemporary mediated coverage of women athletes and sports from Title IX to the present day Through personal perspectives contributors provide a valuable overview of common patterns in women's sports media coverage exploring issues of diversity ethnicity and inclusion Chapters examine Title IX discourse NIL brand creation and marketing among female college athletes through platforms such as TikTok Instagram and Twitter X the recent surge in what appears to be empowering gender discourse and contemporary public debates legislative attacks on the participation of trans and nonbinary athletes differential treatment of women's athletic injuries as compared to men's injuries and the role of women working in sports media both on the field and on the sidelines The book includes a review of changes in the media coverage of women in sport offering an overall assessment of the status of women athletes in the half century after Title IX It concludes with an examination of the power of coaching and the imperative to protect athletes from abuses of that power This book will be of interest to students and scholars of media communication journalism and beyond that are examining the topic of women media and sport Routledge Handbook of Physical Cultural Studies Michael L. Silk, David L. Andrews, Holly Thorpe, 2017-02-10 Physical cultural studies PCS is a dynamic and rapidly developing field of study This handbook offers the first definitive account of the state of the art in PCS showcasing the latest research and methodological approaches It examines the boundaries preoccupations theories and politics of PCS drawing on transdisciplinary expertise from areas as diverse as sport studies sociology history cultural studies performance studies and anthropology Featuring chapters written by world leading scholars this handbook examines the most important themes and issues within PCS exploring the active body through the lens of class age gender sexuality race ethnicity disability medicine religion space and culture Each chapter provides an overview of the state of knowledge in a particular subject area while also considering possibilities for developing future research Representing a landmark contribution to physical cultural studies and allied fields the Routledge

Handbook of Physical Cultural Studies is an essential text for any undergraduate or postgraduate course on physical culture sports studies leisure studies the sociology of sport the body or sport and social theory *Skimpy Coverage* Bonnie M. Hagerman, 2023-05-15 *Skimpy Coverage* explores *Sports Illustrated*'s treatment of female athletes since the iconic magazine's founding in 1954 The first book length study of its kind this accessible account charts the ways in which *Sports Illustrated* arguably the leading sports publication in postwar America engaged with the social and cultural changes affecting women's athletics and the conversations about gender and identity they spawned Bonnie Hagerman examines the emergence of the magazine's archetypal female athlete good looking straight and white and argues that such qualities were the same ones the magazine prized in the women who appeared in its wildly successful Swimsuit Issue As Hagerman shows the female athlete and the swimsuit model at least for the magazine were essentially one and the same Despite this conflation and the challenges it poses Hagerman also tracks the distance that sportswomen including Wilma Rudolph Billie Jean King Serena Williams and Megan Rapinoe have traveled both within *Sports Illustrated*'s pages and without Blending sports with gender history *Skimpy Coverage* profiles numerous sportswomen who have used athletics and the platform sport offers to push for empowerment freedom equality and acceptance in ways that have complemented and inspired broader feminist agendas
