Priest, Steven D. Bleiberg, Michael A. Welhoelter, 2016-07-07

Winning at Active Management conducts an in depth examination of crucial issues facing the investment management industry and will be a valuable resource for asset managers institutional consultants managers of pension and endowment funds and advisers to individual investors Bill Priest Steve Bleiberg and Mike Welhoelter all experienced investment professionals consider the challenges of managing portfolios through complex markets as well as managing the cultural and technological complexities of the investment business The book s initial section highlights the importance of culture within an investment firm the characteristics of strong cultures the imperatives of communication and support and suggestions for leading firms through times of both adversity and prosperity It continues with a thorough discussion of active portfolio management for equities The ongoing debate over active versus passive management is reviewed in detail drawing on both financial theory and real world investing results The book also contrasts traditional methods of portfolio management based on accounting metrics and price earnings ratios with Epoch Investment Partners philosophy of investing on free cash flow and appropriate capital allocation Winning at Active Management closes with an inquiry into the crucial and growing role of technology in investing The authors assert that the most effective portfolio strategies result from neither pure fundamental nor quantitative methods

but instead from thoughtful combinations of analyst and portfolio manager experience and skill with the speed and breadth of quantitative analysis The authors illustrate the point with an example of an innovative Epoch equity strategy based on economic logic and judgment but enabled by information technology Winning at Active Management also offers important insights into selecting active managers the market cycle factors that have held back many managers performance in recent years and the difficulty of identifying those firms that truly possess investment skill Drawing on behavioral economic theory and empirical research the book makes a convincing case that many active investment managers can and do generate returns superior to those of the broad market *Project Communication from Start to Finish* Geraldine E. Hynes,2019-06-13

Research shows that 90 percent of a project manager s time is spent communicating with various stakeholders This book offers strategies that enhance communication throughout the project cycle and describes innovative techniques for bridging cultural gaps increasing understanding and ensuring project success *Portfolio Management* John Bonner,Marcus

The Top Books of the Year Towers Watson Benchmark Guide The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Towers Watson Benchmark Guide : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Towers Watson Benchmark Guide : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Towers Watson Benchmark Guide : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
