[Toxic Life](#) Luke Gregory, 2019-07-23

Today you made another step towards you and your Christian soul. I embrace you with much warmth and admiration that you are here and that you had the curiosity. What does Christian faith mean to be you? To live. To suffer. To love. To be disappointed. To be happy. To laugh. To cry. To feel. To have faith. To feel and have faith with all your heart in what you believe and think to do what you feel. This Christian healing book delves into the negative and downright devastating events that occur in our lives that break our faithfulness, hearts, and trample our spirits, but it won't be human-made wisdom pellets being handed out here. This is a Christian journey to find God in the midst of our sorrow. We will take a walk in the shoes of Job, a man who suffered devastating losses simultaneously but never once stopped giving God praise and glory. We will look at why sometimes we just don't understand God in the midst of our tribulations but how to trust Him anyway. We will explore what the Bible says about how to deal with emotions, recognizing the toxic people in our lives, and how to show them the exit sign, finding freedom by letting go of past hurt and disappointment and discovering how to grow through and from your pain. You will discover in my Christian book, **Preparation For A Purpose: Part I: Losing It All: Burying Heartache: Pathway of Disobedience: Chapter 2: Tribulations Of A Self-Made Millionaire: One Of The Very Worst Days In History: A Modern Understanding of faithfulness: Chapter 3: Managing Emotions: Anger Is Not The Enemy: It's Okay To Be Sad: Chapter 4: Understanding God's Will: Suffering From Purpose: Part II: Letting It Go: Part III: Moving Forward: Lessons Learned.** Read my healing Christian book if you have problems in your life with your faith. People who have problems communicating with people in their lives and with love from or for them. Those who have gone through a difficult moment and were blocked at a time or in our present hard days for a Christian soul. Those who want to learn how to manage a difficult situation and understand why living faith could save a soul. Those who want to learn

more about the cause and effect of hard times in our spiritual life I have been through my share of disappointments and devastations but I wouldn't have come out on the other side without a faithful Father to see me through He has shown me His promises that continually prove His love and divine will and He has shown me how to find my purpose in pain He wants you to find His promises and His purpose for your life too When standing on the other end of the most difficult times in our lives you can be sure that God will use those experiences as teachable moments somewhere down the road The lessons that each of us learns might not be the same but God will often give insight on how a particular circumstance in our past is helping to shape our future and how it might help shape someone else's as well There is great power in testimony so if we are able to share the testimony of how God transformed our lives despite walking through dark and challenging times it could inspire or give hope to someone else who is still in the thick of their own hardship Even though my own personal losses and tragedies were a time when my faith suffered the most I can look back now to see that God's faithfulness never wavered I'm sure my book will guide you through your spiritual life and your christian path *Toxic Christianity* Paul DeBlassie,1992 A Christian depth psychologist charts a path to emotional and spiritual wholeness for those whose religious understanding has hurt rather than helped them Dr DeBlassie has counseled many people whose religion has held them in spiritual bondage rather than intimately connected to the vital center Theoretical material is balanced with crisp clinical illustrations and colorful anecdotes **Retrain Your Brain** Scott Silverii,2021-01-12 Our society is littered with the barbed hooks of sexually explicit imagery and seductive temptation Simply telling yourself not to look or think about dark thoughts is not going to help you break free from the stranglehold Everywhere we turn women and men are engaged in a war being waged for our attention through temptation The cost of this battle is the corruption of our minds You have the authority to control your way of thinking Retrain Your Brain gives you the resource to accomplish it Don't give up It's never too late to rewire the way your mind's thoughts fire The process of focusing your thinking toward a positive winning process is the same for men women single married old or young Our brains are a complex and incredible miracle and we can learn to clear the clutter Dr Scott Silverii goes straight to the heart of the problem in this practical battle plan for retraining your brain You'll understand the enemy like never before and begin to identify the streams used to launch attacks against your mind Developing mental armor against those attacks will help you break free from the chains of sexual temptation You can live in victory and it all begins with the way you think **Toxic faith** Stephen Arterburn,1991
