nor a bad guy after all Filled with believable lies timeless wisdom and hard hitting answers this fascinating book explains why God s actions don t fit human logic and rationality regardless of the religion humans follow why the earth is already perfect in an imperfect way why he indulges in Machiavellian methods why he has no hesitation in crushing business giants and helping individuals and why he loves atheists despite what they do etc in a funny serious and thought provoking way This book will completely change the way you will view the world henceforth as it will enlighten you with the technical political and business justifications for the eternal dance of feast famine merry mayhem good bad peace chaos wealth poverty etc around us Finally you will be able to easily understand the mild and wild ways of our fellow humans like presidents prime ministers politicians arms dealers warmongers detectives anti terrorism agencies atheists rationalists scientists terrorists mafia dons etc and also to understand who is making them do what they do In short this book contains frank and never before released answers to all of our heated questions about God Or in other words HIS SIDE OF THE STORY and a must read for anyone curious or angry about God s irrational ways of managing the earth without diving into traditional spirituality Even God would love to own a copy
