What I Saw In America:

What I Saw in America (Annotated) G.k. Chesterton,2018-11-20 G K Chesterton s fascination account of his first trip to America Includes a Preface and Introduction to Chesterton and his works by author Stephen ReuelG K Chesterton 1874 1936 was an English writer of every sort in which his wit could flourish and his style could show and whose goodness in his adventuring for truth is so lacking in the common rancour of today Americans are very patriotic and wish to make their new citizens patriotic Americans But it is the idea of making a new nation literally out of any old nation that comes along Chesterton concludes after his first visit in 1921 For what is unique is not America but what is called Americanisation

What They Saw in America James L. Nolan (Jr.),2016-05-17 Chronicling the visits of four important figures this book will help Americans better understand themselves and how outsiders perceive them What I Saw in America G. Chesterton,2018-08-29 A collection of classic essays exploring America by the inimitable essayist G K Chesterton The essays include What is America A Meditation in a New York Hotel A Meditation in Broadway Irish and other Interviewers Some American Cities In the American Country The American Business Man Presidents and Problems Prohibition in Fact and Fancy Fads and Public Opinion The Extraordinary American The Republican in the Ruins Is the Atlantic Narrowing Lincoln and Lost Causes Wells and the World State A New Martin Chuzzlewit The Spirit of America The Spirit of England and The Future of Democracy *What I Saw In America* G. K. Chesterton,2023-03-13 I have never managed to lose my old conviction that travel narrows the mind At least a man must make a double effort of moral humility and imaginative energy to prevent it from narrowing his mind Indeed there is something touching and even tragic about the thought of the thoughtless tourist who might have stayed at home loving Laplanders embracing Chinamen and clasping Patagonians to his heart in Hampstead or Surbiton but for his blind and suicidal impulse to go and see what they looked like This is not meant for nonsense still less is it meant for the silliest sort of nonsense which is cynicism The human bond that he feels at home is not an illusion On the contrary it is rather an inner reality Man is inside all men In a real sense any man may be inside any men But to travel is to leave the inside and draw dangerously near the outside So long as he thought of men in the abstract like naked toiling figures in some classic frieze merely as those who labour and love their children and die he was thinking the fundamental truth about them By going to look at their unfamiliar manners and customs he is inviting them to disguise themselves in fantastic masks and costumes Many modern internationalists talk as if men of different nationalities had only to meet and mix and understand each other In reality that is the moment of supreme dangerthe moment when they meet We might shiver as at the old euphemism by which a meeting meant a duel What I Saw in America G. K. Chesterton,2019 **What I Saw in America (Annotated)** G. K. Chesterton,2019-09-20 What I Saw in America is Father Brown creator G K Chesterton s classic travelogue about his 1921 tour of America The bitingly sardonic author pulls no punches with his wry observations on US culture giving us his take on everything American from Pennsylvania to Prohibition What I Saw in America Gilbert Keith
