Life Is What You Make It Peter Buffett, 2011-05-03 From composer musician and philanthropist Peter Buffett comes a warm wise and inspirational book that asks Which will you choose the path of least resistance or the path of potentially greatest satisfaction You may think that with a last name like his Buffett has enjoyed a life of endless privilege But the son of billionaire investor Warren Buffett says that the only real inheritance handed down from his parents was a philosophy Forge your own path in life It is a creed that has allowed him to follow his own passions establish his own identity and reap his own successes In Life Is What You Make It Buffett expounds on the strong set of values given to him by his trusting and broadminded mother his industrious and talented father and the many life teachers he has met along the way Today s society Buffett posits has begun to replace a work ethic relishing what you do with a wealth ethic honoring the payoff instead of the process We confuse privilege with material accumulation character with external validation Yet by focusing more on substance and less on reward we can open doors of opportunity and strive toward a greater sense of fulfillment In clear and concise terms Buffett reveals a great truth Life is random neither fair nor unfair From there it becomes easy to recognize the equal dignity and value of every human life our circumstances may vary but our essences do not We see that our journey in life rarely follows a straight line but is often met with false starts crises and blunders How we push through and persevere in these challenging moments is where we begin to create the life of our dreams from discovering our vocations to living out our bliss to giving back to others Personal and revealing instructive and intuitive Life Is What You Make It is about transcending your circumstances taking up the reins of your destiny and living your life to the fullest *Bouquet of Red Flags* Taylor Mali, 2014-11-01 With the perfect blend of wit eloquence and honesty Taylor Mali s poems delight haunt and illuminate with equal measure every subject they celebrate Bouquet of Red Flags is laced with more than the typical LSD love sex divorce of modern poetry Here lie poems that elevate the overlooked daily miracles of coincidence The Luck I Crave as well as the blessings of loss and longing Love as a Form of Diving Whether employing form or rhyme or merely crafting the artful prose he is known for Taylor Mali delivers entertaining epiphanies spiced with the Deepest Condiments *Sonata* Andrea Avery, 2017-05-09 Andrea already a promising and ambitious classical pianist at twelve was diagnosed with a severe case of rheumatoid arthritis that threatened not just her musical aspirations but her ability to live a normal life As Andrea navigates the pain and frustration of coping with RA alongside the usual travails of puberty college sex and just growing up she turns to music specifically Franz Schubert s sonata in B flat D960 and the one armed pianist Paul Wittgenstein for strength and inspiration The heartbreaking story of this mysterious sonata Schubert s last and his most elusive and haunting is the soundtrack of Andrea s story Sonata is a coming of age story that explores a Janus head miracle Andrea s extraordinary talent and even more extraordinary illness in a manner reminiscent of Brain on Fire and Poster Child Like the goshawk
