Begendings: A New Perspective Catherine Zeeb, 2010-05-12

Faith without Fear Richard Gist, 2021-05-18 Ever felt bitten by a fundamentalist Or had your biblical understanding discounted by a conservative Or the validity of your beliefs questioned by a zealous evangelical If you have then you will find Faith without Fear absolutely therapeutic with its fresh honest and unique approach to both Scripture and the faith After the publication of his award winning *You Don't Understand the Bible Because You are Christian* 2014 Richard Gist has reemerged to subtly combat religious theologies that are constructed on a fear of God those you must be born again or you will be left out of heaven approaches to life and Divinity The antidote trusting the loving purposes of God and reading Scripture straight up that is rationally historically and through sound scholarship And having fun doing it Mr Gist is a United Methodist clergy person who has spent a twenty three year retirement researching and writing on biblical subjects He shares his findings honestly sometimes fervently and often humorously to vividly open up biblical stories in readable and engaging terms Again and again the reader will respond I never thought of it that way before He does however proceed with the expectation that his audience has both an interest in Scripture and a modest acquaintance with its content The book asks probing questions but following Old Testament writing techniques does not provide answers Everyone has to think for themselves Mr Gist explores some stories through the question *cui bono* Who profits from telling the story this way Have you ever done that before in your Bible studies It leads to new places The author sometimes strays beyond Scripture to share personal stories offer spiritual insights and to present a smattering of philosophy The Table of Contents provides a few hints of what you will find in the book Undergirding everything is the author's absolute trust in the unconditional love of God As the title of the book suggests fear should not be a part of our relationship with the Divine God never forgives because God never condemns

On Vocation Florian

Kemmerich,2025-09-30 On Vocation How to Align Your Purpose with Your Profession explores the transformative journey of aligning one's passion and purpose with one's profession to create meaningful impact. Instead of a career guide, this book is more of a blueprint for aligning personal values with professional endeavours in a way that fosters resilience, innovation, and systemic impact. Many professionals feel disconnected from their work, grappling with dissatisfaction, burnout, and a lack of purpose. Traditional career advice often fails to address the deeper alignment between an individual's values and their professional contributions. This book fills that gap by providing a structured, actionable process to help readers transform their careers into vocations that bring both personal fulfilment and systemic impact. In this highly practical book, Florian Kemmerich introduces the concept of vocating, a structured seven-step process that helps readers discover their true calling, align it with global challenges, and build a sustainable vocation that contributes to both personal fulfilment and societal good. On Vocation offers readers actionable tools, reflective exercises, and inspiring narratives to help them navigate their own path toward a purpose-driven vocation. Readers learn not only how to discover their purpose but also how to implement it within their professional lives in a way that benefits both themselves and the world.
