Most of my friends have told me stories of how they got swindled by getting a raw deal when buying a car second hand or new Others have complained of how they got overcharged by dishonest mechanics This book will familiarize you with basic car care and tips including Choosing the right car car check list before a long trip how to keep the automatic transmission alive top reasons why your car won't start among others To the readers the author is happy to wish that the pages of this book may help you learn the fastest easiest and most comprehensive tips to maintain your car It's a book that every car owner or anyone intending to should have

Episodes in a Rich Life Raymond Wentworth, 2011-03 What's this about Episodes in a Rich Life asked my Imaginary Friend I'm always embarrassed when my IF speaks up but glad that this time we were that is that I was alone If I ever admitted to the world my IF exists some would doubt my sanity Others would have their opinions confirmed I can't remember a time my IF continued when you've had enough in your pocket to talk about being rich I looked around saw no one in earshot and broke my rule against replying to my IF There are ways of being rich without having much cash I explained You can have friends enjoy experiences learn much about a multitude of things all of that and more And you can properly consider yourself rich When you put it like that my IF admitted I can see your point One more thing you mustn't forget And what's that I wondered Maybe I should have put it in my book You always have me said my IF This conversation is over I said In fact it never happened Not long after I retired I joined a Journal Writers group of senior citizens Each week I had to write and read to the group a page or so telling what had happened to me either during the week previous or sometime in the past I have bundled many of these Episodes into more or less related groups that I call Chapters but the reader may call them Aggregations I sincerely hope not Aggravations The point is I have experienced these Episodes and enjoyed most of them and I hope the Reader enjoys them too whether reading straight through the book or doing random sampling
