## **When War Comes Home :**

**Distant War Comes Home** Donald A. Beattie, Rodney Cole, Charles Waugh, 1991-01-01 Drawing upon original sources and published material *A Distant War Comes Home* is a fascinating survey of the many individual stories that linked Maine with the war hundreds of miles away *When War Comes Home* Marshéle Carter Waddell, Rahnella Adsit, Christopher B. Adsit, 2008-10-16 *When War Comes Home* combines spiritual comfort and practical Christ centered solutions for wives of combat veterans struggling with the hidden wounds of war including Post Traumatic Stress Disorder **When War Comes to Home** Chris Adsit, Rahnella Adsit, Marshéle Waddell, 2023-02-05 This is the Ukrainian translation of *When War Comes Home* by Chris Adsit and Rahnella Adsit c 2008 *The War Comes Home* Aaron Glantz, 2009 One of the many scandals of the war in Iraq is how the administration has betrayed our returning servicemen I m grateful that the facts surrounding these tragedies are finally being exposed Paul Haggis Academy Award winning director of *Crash* and *In the Valley of Elah* screenwriter of *Flags of Our Fathers* and *Letters from Iwo Jima* A must read for those who claim to support our troops Robert G Gard Lt General U S Army ret The treatment by the Bush Administration of America s returning veterans from the wars in Iraq and Afghanistan is one of the saddest chapters in American history This story is painfully documented by Aaron Glantz This book is a must read for anyone who wants to make the phrase Support the Troops more than a slogan Former US Senator Max Cleland A fitting tribute to what these men and women fought and risked their lives and well being for Gerald Nicosia author of *Home to War* This superbly documented and eloquent book is a clarion call for honesty compassion outrage and an end to the lies that cause so much suffering in far off countries and in our own nation Norman Solomon author of *War Made Easy* How Presidents and Pundits Keep Spinning Us to Death Aaron Glantz draws on his eyewitness experiences of reporting in Iraq to bring the courage and the suffering of our troops into vivid relief *The War Comes Home* exposes how physical and mental injuries plague our returning servicemen and what we can do about it Linda Bilmes coauthor of *The Three Trillion Dollar War* Weep America cringe America We talk a good game about honoring all those who go into harm s way for our sake and caring for those who get physically and psychologically broken but do we go beyond fine words and a few gold plated flagship medical facilities Are we walking the walk Are we getting it right Aaron Glantz is in our face on the military treatment facilities the VA and civilian society at large Jonathan Shay MD PhD author of *Achilles in Vietnam* and *Odysseus in America* MacArthur Fellow Aaron Glantz reports on the human cost of war what it does physically and emotionally to those young men and women who carry out industrial slaughter He rips apart the myths we tell ourselves about war and illustrates in painful detail the dark psychological holes that those who have been through war s trauma endure and will always endure He reminds us that the essence of war is not glory heroism and honor but death Chris Hedges former New York Times foreign correspondent author of *War is a Force That Gives Us Meaning* We should all be reading people like Greg Palast and Aaron Glantz Al Kennedy The Guardian UK *They Were Families* Stephanie Mines Ph.

D.,2015-11-17 In surveying the literature on war and its aftermath including the literature on Post Traumatic Stress Disorder PTSD there is virtually nothing about the families of veterans These families are the scapegoats of war Their story is timeless but the author believes the time has come to tell it The RAND Corporation study initiated by the National Military Families Association reports that military families have more emotional distress and anxiety than the general population 95% of these families feel that others outside the military are unaware of their dilemmas They are correct The needs of the families of our veterans are for the most part ignored In particular their children are not given the support they need to offset the toxic conditions of war that is brought home The distress in the homes of veterans creates an epigenetic burden that is carried most heavily by children Investigations into the mechanisms of the intergenerational transmission of trauma reveal that the children of veterans who have seen combat and who have returned from war with PTSD are more prone to violence are at a higher risk for behavioral academic and interpersonal problems have difficulty maintaining friendships are more likely to have sensory challenges or to be diagnosed with autism are at higher risk for depression and have difficulty concentrating Knowing all this what do we provide to take this burden off the shoulders of children and families Close to nothing Three simple initial steps can begin to shed light on this shadow Education Resources and Family Centered Transition This is a book devoted to these three steps When the author discussed these steps with civilians they frequently respond in all innocence by saying Don't we already have this These three steps are so common sense so obviously needed that the assumption by people who have not investigated this issue is that it has already been taken care of by the powers that be Surely they know this But there is no they We must be the they that voices this obvious need and advocates for its fulfillment It is a tall order but it must be done

*When the War Comes Home* Cassidy Rowan,2025-06-09 What happens when the battlefield follows you home When the War Comes Home The Hidden Battles of Veterans is a compelling and deeply human book that confronts the emotional aftermath of war through the lens of those who live it every day veterans and their families It sheds light on the invisible wounds of PTSD the haunting flashbacks and the exhausting hypervigilance that many carry long after the uniform is folded away This book doesn't shy away from the hard truths substance abuse anger management struggles and the devastating rise in veteran suicide are not just statistics they're stories that need to be heard With compassion and clarity it explores how mental health stigma keeps many suffering in silence while veteran homelessness and social isolation grow in the shadows But it is also a story of strength Through the framework of trauma informed care we follow the healing journey the slow often painful but possible path back toward wholeness From the perspective of military families the book examines the shifting family dynamics and the crucial role of family support and crisis intervention in rebuilding connection It highlights coping strategies psychological resilience and the importance of mental health awareness in turning survival into recovery When the War Comes Home is not just for veterans it's for anyone who wants to understand them A rallying call for veteran advocacy it reminds us that we are all responsible for those who served It challenges readers

to see beyond the visible to recognize the cost of service and to take part in creating a world where no veteran battles alone This is not a story of war This is a story of coming home and what it takes to truly live again *When War Comes Home* , Three soldiers suffering from post traumatic stress PTS and traumatic brain injury TBI share their stories of coping with these devastating invisible wounds of war Now back home from Iraq and Afghanistan they face the toughest battle of their lives trying to find a way to readjust to life with their families and build a healthy and hopeful future out of a present that is wracked by pain stress and loss From Indiana to Florida to Colorado the film follows the men and their families as they wage their personal fight for freedom from these ever present debilitating illnesses that affect an estimated 20% of the 2 6 million military service members who have served in Iraq and Afghanistan War Comes Home ,2014\* **When War Comes** Andrew Gih,1964 **American Journal of Care for Cripples** ,1918 **Free Synagogue Pulpit** ,1915 The Contemporary Review ,1901 **Memoirs of Gen. W. T. Sherman** William Tecumseh Sherman,1891 **The Bellman** ,1914 *When War Comes Home* Richard Dery,2008-03 1864 Claire Vallote and the citizens of Washington D C wax triumphant as the once menacing southern forces are shattered and driven south by the Army of the Potomac s thundering canon Driven to desperation Dixie turns to terror and when a Confederate bomb explodes in a Washington hotel and Claire loses her unborn child she vows to avenge herself on the rebel saboteurs setting in motion events that plunge her into the heart of Confederate spy operations and face to face with her child s killer **All the Year Round** Charles Dickens,1887 **Reminiscences and Thrilling Stories of the War by Returned Heroes** James Rankin Young,Joseph Hampton Moore,1899 **Vietnamerica** Thomas A. Bass,1996 Any child who could demonstrate American parentage if only by the simple evidence of Western features would be welcome Relatives too By then the children s average age was 19 Unity ,1925 *Dark and Cruel War* Don Lowry,1993
