When Marina Abramovic Dies A Biography James Westcott:

When Marina Abramovic Dies James Westcott, 2014-08-29 The extraordinary life and death defying work of one of the most important and pioneering performance artists in contemporary art When Marina Abramovi Dies examines the extraordinary life and death defying work of one of the most pioneering artists of her generation and one who is still at the forefront of contemporary art today This intimate critical biography chronicles Abramovi s formative and until now undocumented years in Yugoslavia and tells the story of her partnership with the German artist Ulay one of the twentieth century s great examples of the fusion of artistic and private life In one of many long durational performances in the renewed solo career that followed Abramovi famously lived in a New York gallery for twelve days without eating or speaking nourished only by prolonged eye contact with audience members It was here in 2002 that author James Westcott first encountered her beginning an exceptionally close relation between biographer and subject When Marina Abramovi Dies draws on Westcott s personal observations of Abramovi his unprecedented access to her archive and hundreds of hours of interviews he conducted with the artist and the people closest to her The result is a unique and vivid portrait of the charismatic self proclaimed grandmother of performance art

Silence, Sounds, Music Florian Freitag, Laura Katharina Mücke, Peter Niedermüller, 2025-02-20 This book examines the intersections of silence with immersive arts and experiences Silence and immersion may seem antithetical while immersion is supposedly induced by acoustic and other stimuli silence is commonly understood as the absence or opposite of sound Since the eighteenth century however silence has been established as a multifarious and polyvalent cultural concept Immersion in turn though often used as a simple all inclusive term has old and complex ontological and epistemological roots Organized into three parts this book brings critical historical and theoretical debates on silence into dialogue with different notions of immersion The 16 theoretical articles and case studies engage in discovering and questioning the continued prominence of both concepts in aesthetics culture and media Covering music film digital visual and performance art theater video games and theme parks the chapters discuss both highly canonical and rarely examined artifacts Written by scholars from Germany Austria France and Switzerland the interdisciplinary collection includes perspectives from musicology film studies cultural and media studies gender studies art history and philosophy Silence Sounds Music addresses both an academic and a wider audience It will be of interest to anyone interested in music sound immersive experiences the so called experience economy and contemporary art and culture

The Psychology of Artistic Creativity Bjarne Sode Funch, 2021-12-28 This ground breaking book provides a unique insight into artistic creativity that lays the foundation for a new theory Through a review of documents such as essays published interviews lecture notes and more the book uses case studies of six contemporary artists to provide a detailed phenomenological study of artistic creativity The book offers a narrative account of six contemporary artists and their ways of approaching art making Through comprehensive accounts based on the individual artist s descriptions the book reveals an

existential dimension of art making that explores the inspirational moment the state of mind during creativity how creativity can originate in a spontaneous stream of consciousness and how emotions play a major role in the creative process The book sets out a unique understanding of artistic creativity as an alternative to the prevailing cognitive conceptions within psychology Offering novel insights into how art is created and can influence the human psyche the book will primarily appeal to academics scholars and post graduate students within the area of creativity research psychological aesthetics and the psychology of art as well as those with an interest in art and artistic work Documenting the Visual Arts Roger Hallas, 2019-12-06 Bringing together an international range of scholars as well as filmmakers and curators this book explores the rich variety in form and content of the contemporary art documentary Since their emergence in the late 1940s as a distinct genre documentaries about the visual arts have made significant contributions to art education public television and documentary filmmaking yet they have received little scholarly attention from either art history or film studies Documenting the Visual Arts brings that attention to the fore Whether considering documentaries about painting sculpture photography performance art site specific installation or fashion the chapters of this book engage with the key question of intermediality how film can reframe other visual arts through its specific audio visual qualities in order to generate new ways of understanding those arts The essays illuminate furthermore how art documentaries raise some of the most critical issues of the contemporary global art world specifically the discourse of the artist the dynamics of documentation and the visibility of the museum Contributors discuss documentaries by filmmakers such as Frederick Wiseman Lynn Herschman Leeson Jia Zhangke and Trisha Ziff and about artists such as Michael Heizer Ai Weiwei Do Ho Suh and Marina Abramovi This collection of new international and interdisciplinary scholarship on visual art documentaries is ideal for students and scholars of visual arts and filmmaking as well as art history arts education and media studies **Santa Teresa** Dr. Martina Bengert, Iris Roebeling-Grau, 2019-07-15 Even prior to her widely observed 500th anniversary Teresa of vila 1515 1582 was already considered one of the most important authors of occidental mysticism This volume gathers together contributions from a multitude of disciplines to explore the writings and reception of the Spanish author and saint Previously disregarded lines of tradition are explored for a new understanding of her oeuvre which is examined here with special regard to the potential to affect its readers Teresa proves to not only be an accomplished but also a very literary writer Santa Teresa proves to be a figure of cultural memory and the diffusion of her thinking is traced up to the present whereby a recurrent focus is put on the phenomenon of ecstasy Part of the widespread resonance of her work is the image of the iconic saint whose emergence as an international phenomenon is presented here for the first time The volume is closed by an interview with Marina Abramovi answering four questions about Teresa **Feminist Figure Girl** Lianne McTavish, 2015-01-08 Feminist Figure Girl chronicles the transformation of art history professor Lianne McTavish from a university professor into an extraordinarily tanned and crystal encrusted bikini wearing figure girl Figure competitions seek a softer appearance than traditional forms

of bodybuilding but still require rigorous weightlifting an extreme protein diet and many hours of posing in high heels While training for a figure show McTavish combined autoethnographic methods participant observation and feminist theory to find new ways of thinking about physique culture and the female body The author who specializes in critical visual culture and the history of the body explores such contemporary issues as body image fat studies identity politics and postfeminism while rethinking fitness culture diet regimes feminist politics reproductive activism performance art and the social function of photography Written in a lively personal style reminiscent of McTavish s popular blog she clearly explains the complex ideas stemming from the theoretical work of such writers as Judith Butler Simone de Beauvoir Michel Foucault Iris Marion Young Edmund Husserl and Maurice Merleau Ponty The book also includes many photos documenting McTavish s physical transformation
